The Muppets (Theme Song).....	34	Summer Nights (Grease) .....	46		
My Way.....	35	Summertime .....	46		

## 5 Days In May (Blue Rodeo)

---

They met in a hurricane.  
Standing in the shelter out of the rain  
She tucked a note into his hand

Later on they took his car.  
Drove on down where the beaches are  
He wrote her name in the sand.  
Never even let go of her hand

Somehow they stayed that way.  
For those 5 days in May  
Made all the stars around them shine

Funny how you can look in vain,  
living on nerves and such sweet pain  
The loneliness that cuts so fine  
To find the face you've seen a thousand times

Sometimes the world begins.  
To set you up on your feet again  
It wipes the tears from your eyes

How will you ever know,  
the way that circumstances go  
Always going to hit you by surprise

I know my past, you were there.  
In everything I've done  
You are the one --> solo

Looking back it's hard to tell,  
why they stood while others fell  
Spend your life working it out

All I know is one cloudy day,  
they both just ran away  
Rain on the windshield heading South  
Oh, she loved the lines around his mouth.

Sometimes the world begins.  
To set you up on your feet again

It wipes the tears from your eyes

How will you ever know,  
the way that circumstances go  
Always going to hit you by surprise  
I know my past, you were there.  
In everything I've done – You are the one  
[solo/outro]

## 50 Ways To Leave Your Lover

---

“The problem is all inside your head”, she said to me,  
The answer is easy if you take it logically.  
I'd like to help you in your struggle to be free.  
There must be - fifty ways to leave your lover.”

She said: “It's really not my habit to intrude,  
Furthermore I hope my meaning won't be lost or  
misconstrued,  
But I'll repeat myself, at the risk of being crude.  
There must be - fifty ways to leave your lover,  
Fifty ways to leave your lover.”

ll: Just slip out the back Jack, make a new plan Stan,  
No need to be coy Roy, just get yourself free  
Hop on the bus Gus, you don't need to discuss much,  
Just drop off the key Lee, and get yourself free. :ll

She said: “It grieves me so to see you in such pain.  
I wish there was something I could do to make you  
smile again.”  
I said: “I appreciate that and would you please explain  
About the - fifty ways.”

She said: “Why don't we both just sleep on it tonight,  
And I believe that in the morning  
you'll begin to see the light.”  
Then she kissed me and I realised,  
she probably was right,

There must be fifty ways to leave your lover,  
Fifty ways to leave your lover.

## Across The Universe

---

Words are flying out like endless rain into a paper cup  
They slither while they pass they slip away  
Across the universe

Pools of sorrow, waves of joy are  
drifting through my opened mind  
Possessing and caressing me

Jai Guru Deva Om  
Nothing's gonna change my world,  
Nothing's gonna change my world  
Nothing's gonna change my world,  
Nothing's gonna change my world  
Images of broken light  
which dance before me like a million eyes  
They call me on and on across the universe

Thoughts meander like a restless  
wind inside a letterbox  
They tumble blindly as they make their way  
Across the universe

Jai Guru Deva Om  
Nothing's gonna change my world,  
Nothing's gonna change my world  
Nothing's gonna change my world,  
Nothing's gonna change my world

Sounds of laughter, shades of earth are ringing  
through my opened ears, Inciting and inviting me  
Limitless, undying love which shines around me  
like a million suns, and calls me on and on  
Across the universe

Jai Guru Deva Om  
Nothing's gonna change my world,  
Nothing's gonna change my world  
Nothing's gonna change my world,  
Nothing's gonna change my world

## **A Day In The Life**

---

I read the news today, oh boy  
About a lucky man who made the grade  
And though the news was rather sad  
Well I just had to laugh I saw the photograph.

He blew his mind out in a car  
He didn't notice that the red lights had changed  
A crowd of people stood and stared  
They'd seen his face before  
Nobody was really sure  
if he was from the House of Lords.

I saw a film today, oh boy  
The English army had just won the war  
A crowd of people turned away  
But I just had to look  
Having read the book, I'd love to turn you on.

Woke up, fell out of bed,  
Dragged a comb across my head  
Found my way downstairs and drank a cup,  
And looking up I noticed I was late.  
(Ha ha ha!)

Found my coat and grabbed my hat  
Made the bus in seconds flat  
Found my way upstairs and had a smoke,  
Somebody spoke and I went into a dream.  
Aah, aah...

I read the news today oh boy  
Four thousand holes in Blackburn, Lancashire  
And though the holes were rather small  
They had to count them all  
Now they know how many holes  
it takes to fill the Albert Hall.  
I'd love to turn you on.

## **Ahead By A Century (Tragically Hip)**

---

First we'd climb a tree, and maybe then we'd talk  
or sit silently, and listen to our thoughts

with illusions of someday, casting a golden light  
no dress rehearsal, this is our life

That's where the hornet stung me,  
and I had a feverish dream  
with revenge and doubt.  
Tonight, we smoke them out

You are ahead by a century,  
you are ahead by a century,  
you are ahead by a century

Stare in the morning shroud, and then the day began  
I tilted your cloud, you tilted my hand  
Rain falls in real time, and rain fell through the night  
no dress rehearsal, this is our life  
That's where the hornet stung me,  
and I had a serious dream  
with revenge and doubt.  
Tonight, we smoke them out

You are ahead by a century,  
you are ahead by a century,  
you are ahead by a century,

you are ahead by a century,  
you are ahead by a century  
you are ahead by a century,  
and disappointing you's getting me down

## **All About That Bass**

---

Because you know I'm all about that bass,  
'Bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, bass, bass

Yeah it's pretty clear, I ain't no size 2  
But I can shake it, shake it like I'm supposed to do  
'Cause I got that boom boom that all the boys chase  
All the right junk in all the right places

I see the magazines working that Photoshop  
We know that shit ain't real  
Come on now, make it stop  
If you got beauty beauty just raise 'em up  
'Cause every inch of you is perfect  
From the bottom to the top

Yeah, my momma she told me  
don't worry about your size  
She says, boys they like a little more  
booty to hold at night

You know I won't be no stick-figure,  
silicone Barbie doll,  
So, if that's what's you're into  
Then go ahead and move along

Because you know I'm all about that bass,  
'Bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass

I'm bringing booty back  
Go ahead and tell them skinny bitches Hey  
[No, I'm just playing] I know you think you're fat,  
But I'm here to tell you that,  
Every inch of you is perfect  
from the bottom to the top

Yeah, my momma she told me  
don't worry about your size  
She says, boys they like a little more  
booty to hold at night

You know I won't be no stick-figure,  
silicone Barbie doll,  
So, if that's what's you're into  
Then go ahead and move along

Because you know I'm all about that bass,  
'Bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble

I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass

### **All Of Me (John Legend)**

---

What would I do without your smart mouth?  
Drawing me in, and you kicking me out  
You've got my head spinning, no kidding,  
I can't pin you down

What's going on in that beautiful mind  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me,  
but I'll be alright  
My head's under water, but I'm breathing fine  
You're crazy and I'm out of my mind

'Cause all of me Loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me I'll give my all to you

You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all of me  
And you give me all of you, oh oh

How many times do I have to tell you  
Even when you're crying you're beautiful too  
The world is beating you down,  
I'm around through every mood

You're my downfall, you're my muse  
My worst distraction, my rhythm and blues  
I can't stop singing, it's ringing, in my head for you

My head's under water, but I'm breathing fine  
You're crazy and I'm out of my mind  
'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections

Give your all to me, I'll give my all to you

You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all of me  
And you give me all of you, oh oh  
Give me all of you

Cards on the table, we're both showing hearts  
Risking it all, though it's hard  
'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections

Give your all to me I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all of me  
And you give me all of you  
I give you all of me  
And you give me all of you, oh oh

### **Ain't Misbehavin'**

---

No one to talk with, all by myself,  
No one to walk with, but I'm happy on the shelf.  
Ain't misbehavin', I'm savin' my love for you.

I know for certain, the one I love  
I'm through with flirtin' it's just you I'm thinkin' of  
Ain't misbehavin', I'm saving my love for you.

Like Jack Horner, in the corner  
Don't go no-where, what do I care  
Your kisses are worth waiting for, believe me

I don't stay out late, don't care to go  
I'm home about eight, just me and my radio  
Ain't misbehavin', I'm savin' my love for you.

### **All You Need Is Love**

---

Love, Love, Love... [x 3]  
There's nothing you can do that can't be done  
Nothing you can sing that can't be sung

Nothing you can say but you can learn how to play  
the game - It's easy

Nothing you can make that can't be made  
No one you can save that can't be saved  
Nothing you can do but you can learn how to be you  
in time — It's easy

All you need is love, All you need is love  
All you need is love, love  
Love is all you need ---> solo

All you need is love, All you need is love  
All you need is love, love  
Love is all you need

There's nothing you can know that isn't known  
Nothing you can see that isn't shown  
Nowhere you can be that isn't where you're meant  
to be — It's easy

All you need is love, All you need is love  
All you need is love, love  
Love is all you need  
Love is all you need

### **Angel (Sarah McLachlan)**

---

Spend all your time waiting for that second chance  
For the break that would make it okay  
There's always some reason to feel not good enough  
And it's hard at the end of the day

I need some distraction, a beautiful release  
Memories seep from my veins  
Let me be empty, oh and weightless, and maybe  
I'll find some peace tonight

In the arms of the angel, fly away from here  
From this dark, cold hotel room, and the  
endlessness that you fear  
You are pulled from the wreckage  
of your silent reverie

You're in the arms of the angel,  
may you find some comfort here

So tired of this straight line, and everywhere you turn  
There's vultures and thieves at your back  
The storm keeps on twisting,  
you keep on building the lies  
That you make up for all that you lack

It don't make no difference, escaping one last time  
It's easier to believe  
In this sweet madness, oh this glorious sadness  
That brings me to my knees

In the arms of the angel, fly away from here  
From this dark, cold hotel room, and the  
endlessness that you fear

You are pulled from the wreckage  
of your silent reverie  
You're in the arms of the angel,  
may you find some comfort here  
You're in the arms of the angel,  
may you find some comfort here

## **Autumn Leaves**

---

The falling leaves drift by the window  
The autumn leaves of red and gold  
I see your lips, the summer kisses  
The sun-burned hands I used to hold

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I miss you most of all my darling  
When autumn leaves start to fall -- solo

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I miss you most of all my darling  
When autumn leaves start to fall

## **Back in the U.S.S.R**

---

Flew in from Miami Beach B. O. A. C.,  
Didn't get to bed last night  
On the way the paperback was on my knee,  
Man I had a dreadful flight  
I'm back in the U.S.S.R.,  
You don't know how lucky you are boy  
Back in the U.S.S.R.

Been away so long I hardly knew the place,  
Gee it's good to be back home  
Leave it till tomorrow to unpack my case,  
Honey, disconnect the phone

I'm back in the U.S.S.R.,  
You don't know how lucky you are boy  
Back in the U.S., Back in the U.S.,  
Back in the U.S.S.R.  
Well the Ukraine girls really knock me out,  
They leave the West behind  
And Moscow girls make me sing and shout  
That Georgia's always on my mi mi mi mi mi mi mind

[Oh come on! + solo]

I'm back in the U.S.S.R.,  
You don't know how lucky you are boy  
Back in the U.S.S.R.

Well the Ukraine girls really knock me out,  
They leave the West behind  
And Moscow girls make me sing and shout  
That Georgia's always on my mi mi mi mi mi mi mind

Show me 'round your snow-peaked mountains way  
down south, Take me to your daddy's farm  
Let me hear your balalaikas ringing out,  
Come and keep your comrade warm

I'm back in the U.S.S.R.,  
You don't know how lucky you are boy  
Back in the U.S.S.R.

## **Being for the benefit of Mr Kite**

---

For the benefit of Mr. Kite  
there will be a show tonight on trampoline  
The Hendersons will all be there,  
late of Pablo Fanque's Fair, what a scene!  
Over men and horses, hoops and garters,  
lastly through a hogshead of real fire  
In this way Mr. K. will challenge the world!

The celebrated Mr. K. performs his feat  
on Saturday at Bishopsgate  
The Hendersons will dance and sing  
as Mr. Kite flies through the ring, don't be late!  
Messr's K. and H. assure the public  
their production will be second to none  
And of course Henry The Horse dances the waltz!

solo

The band begins at ten to six when  
Mr. K. performs his tricks without a sound  
And Mr. H. will demonstrate ten  
summersets he'll undertake on solid ground!  
Having been some days in preparation,  
a splendid time is guaranteed for all  
And tonight Mr. Kite is topping the bill!

## **Billie Jean (MJ)**

---

She was more like a beauty queen,  
from a movie scene,  
I said; don't mind, but what do you mean;  
I am the one?  
Who will dance on the floor, in the round.  
She said; I am the one,  
who will dance on the floor, in the round.

She told me her name was Billie Jean,  
as she caused a scene.  
Then every head turned, with eyes that dreamed  
of being the one,  
Who will dance on the floor, in the round.

People always told me; be careful what you do;  
And don't go around breaking young girl's hearts.  
And mother always told me;  
be careful of who you love;  
And be careful of what you do,  
'cos the lie becomes the truth.  
Hey hey.

Billie Jean is not my lover;  
She's just a girl who, claims that I am the one.  
But the kid is not my son. She says; I am the one,  
But the kid is not my son.

For forty days and forty nights,  
law was on her side.  
But who can stand, when she's in demand,  
her schemes and plans?  
'Cos we danced on the floor, in the round.  
So take my strong advice;  
just remember to always think twice.  
(Do think twice).

She told my baby we'd danced 'till three,  
then she looked at me,  
Then showed a photo; the baby cried;  
eyes looked like mine.  
Go on dance on the floor, in the round, baby.

People always told me; be careful what you do;  
And don't go around breaking young girl's hearts.  
She came and stood right by me;  
the smell of sweet perfume.  
This happened much too soon;  
she called me to her room, hey hey.

Billie Jean is not my lover;  
She's just a girl who, claims that I am the one.  
But the kid is not my son.

Billie Jean is not my lover;  
She's just a girl who, claims that I am the one.  
But the kid is not my son.  
She says; I am the one,

But the kid is not my son.

[Solo]

She says I am the one,  
But the kid is not my son.

Billie Jean is not my lover;  
She's just a girl who, claims that I am the one  
But the kid is not my son. She says; I am the one,  
But the kid is not my son.

||: Billie Jean is not my lover... :|| outro / fade

## **Blackbird**

---

Blackbird singing in the dead of night  
Take these broken wings and learn to fly All your life  
You were only waiting for this moment to arise  
Blackbird singing in the dead of night  
Take these sunken eyes and learn to see All your life.  
You were only waiting for this moment to be free

Blackbird fly, Blackbird fly  
Into the light of the dark black night.

Solo

Blackbird fly, Blackbird fly  
Into the light of the dark black night.  
Blackbird singing in the dead of night  
Take these broken wings and learn to fly – All your  
life

You were only waiting for this moment to arise  
You were only waiting for this moment to arise  
You were only waiting for this moment to arise

## **Bohemian Rhapsody (Queen)**

---

Is this the real life? Is this just fantasy?  
Caught in a landslide No escape from reality  
Open your eyes Look up to the skies and see

I'm just a poor boy, I need no sympathy  
Because I'm easy come, easy go  
A little high, little low  
Anyway the wind blows,  
doesn't really matter to me, to me

Mama, just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away

Mama, oooh – didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on, as if nothing really matters  
Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Goodbye everybody I've got to go  
Gotta leave you all behind and face the truth

Mama, oooh – I don't want to die  
I sometimes wish I'd never been born at all

Solo

I see a little silhouette of a man  
Scaramouch, scaramouch will you do the fandango  
Thunderbolt and lightning very very frightening me

Gallileo, Gallileo, Gallileo, Gallileo,  
Gallileo Figaro - magnifico

I'm just a poor boy and nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity  
Easy come easy go will you let me go

Bismillah! No! We will not let you go - let him go  
Bismillah! No! We will not let you go - let him go  
Bismillah! We will not let you go let me go  
Will not let you go let me go (never, never, never)  
Let you go, let me go, Let me go ooo

No, no, no, no, no, no, no  
Oh mama mia, mama mia, mama mia let me go  
Beelzebub has a devil put aside for me  
For me — For me

So you think you can stop me and spit in my eye  
So you think you can love me and leave me to die  
Oh baby, can't do this to me baby  
Just gotta get out, just gotta get right outta here  
Ooh yeah, ooh yeah

Nothing really matters, anyone can see  
Nothing really matters.  
Nothing really matters — to me. (Instrumental)

(Anyway the wind blows)

### **Boulevard of Broken Dreams (Green Day)**

I walk a lonely road,  
the only one that I have ever known  
Don't know where it goes,  
but it's home to me and I walk alone

I walk this empty street,  
on the boulevard of broken dreams

Where the city sleeps,  
and I'm the only one and I walk alone  
I walk alone, I walk alone.  
I walk alone, I walk a....

My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Some-times I wish someone out there will find me  
Till then I walk alone  
Ah-ah...

I'm walking down the line  
that divides me somewhere in my mind  
On the border line of the edge, and where I walk  
alone

Read between the lines  
What's fucked up and everything's all right  
Check my vital signs, to know I'm still alive  
And I walk alone

I walk alone, I walk alone.  
I walk alone, I walk a...  
My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
Till then I walk alone

Ah-ah, ah-ah, ah-ah. . . → Solo

I walk this empty street,  
on the boulevard of broken dreams  
Where the city sleeps,  
and I'm the only one and I walk a...

My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
Till then I walk alone

### **The Boxer (Simon and Garfunkel)**

I am just a poor boy, though my story is seldom told.  
I have squandered my resistance,  
For a pocketful of mumbles, such are promises.  
All lies and jest; Still, a man hears what he  
wants to hear and disregards the rest.

When I left my home and my family  
I was no more than a boy,  
In the company of strangers,  
In the quiet of the railway station, runnin' scared.  
Laying low, seeking out the poorer quarters,  
Where the ragged people go.  
Lookin' for the places, only they would know.

Lie-la-lie. Lie-la-lie la lie-la-lie  
Lie la lie. Lie-la-lie la la la lie la la la lie

Asking only workman's wages  
I come lookin' for a job,  
But I get no offers,  
Just a come-on from the whores on Seventh Avenue.  
I do declare there were times when I  
was so lonesome, I took some comfort there.  
Solo

Lie-la-lie. Lie-la-lie la lie-la-lie  
Lie la lie. Lie-la-lie la la la lie la la la lie

And I'm laying out my winter clothes,  
and wishing I was gone, goin home  
Where the New York City winters aren't bleedin me,  
leadin me goin home.

In the clearing stands a boxer,  
and a fighter by his trade,  
And he carries the reminders,  
of every glove that laid him down,  
Or cut him 'til he cried out in his anger and his shame,  
"I am leaving, I am leaving."  
But the fighter still remains

ll: Lie-la-lie. Lie-la-lie la lie-la-lie  
Lie la lie. Lie-la-lie la la la lie la la la lie :ll  
Lie-la-lie la la la lie la la la lie

### **Breakfast In America (Supertramp)**

Take a look at my girlfriend, she's the only one I got  
Not much of a girlfriend, I never seem to get a lot

Take a jumbo across the water. Like to see America  
See the girls in California,  
I'm hoping it's going to come true  
But there's not a lot I can do

Could we have kippers for breakfast,  
Mummy dear, Mummy dear?  
They got to have 'em in Texas,  
'Cause everyone's a millionaire  
I'm a winner, I'm a sinner.

Do you want my autograph?  
I'm a loser, what a joker,  
I'm playing my jokes upon you  
While there's nothing better to do, hey

Ba ba da dum, ba ba, da-d' do da do da do  
Ba ba da dum, ba ba, da-d' do da do da do  
La la laaa, la la la, la la la la

Don't you look at my girlfriend,  
she's the only one I got  
Not much of a girlfriend, I never seem to get a lot  
What's she got? Not a lot

Take a jumbo across the water. Like to see America  
See the girls in California,  
I'm hoping it's going to come true  
But there's not a lot I can do – Hey

Ba ba da dum, ba ba, da-d' do da do da do  
Ba ba da dum, ba ba, da-d' do da do da do  
Hey u-um, hey u-um, hey u-um, hey u-um  
Hey u-um, hey u-um, hey u-um, hey u-um  
La la laaa, la la la, la la la la

### **Brown Eyed Girl**

---

Hey, where did we go, days when the rain came  
Down in the hollow, playin' a new game  
Laughin' and a runnin', hey hey,  
skippin' and a jumpin'  
In the misty mornin' fog, with our hearts a thumpin'

And you — my brown eyed girl  
And you — my brown eyed girl

Whatever happened, to Tuesday and so slow  
Going down the old mine, with a transistor radio  
Standing in the sunlight laughing,  
hiding behind a rainbow's wall  
Slipping and sliding, all along the water fall,

And you — my brown eyed girl

And you — my brown eyed girl  
Do you remember when we used to sing?  
Sha la la la la la la la te da -- just like that  
Sha la la la la la la la te da la te da

So hard to find my way, now that I'm all on my own.  
I saw you just the other day, my how you have grown,  
Cast my memory back there, Lord,  
sometime I'm overcome thinking 'bout  
Making love in the green grass, behind the stadium

With you — my brown eyed girl  
And you — my brown eyed girl

Do you remember when we used to sing  
Sha la la la la la la la te da just like that  
Sha la la la la la la la te da la te da

### **Build Me Up, Buttercup**

---

Why do you build me up (build me up)  
Buttercup, baby  
Just to let me down (let me down)  
and mess me around  
And then worst of all (worst of all)  
you never call, baby  
When you say you will (say you will)  
but I love you still  
I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup,  
Don't break my heart

"I'll be over at ten," you told me time and again  
But you're late, I wait around and then  
I went to the door, I can't take any more  
It's not you, you let me down again, hey, hey, hey!

Baby, baby, try to find, hey, hey, hey!  
A little time and I'll make you mine  
I'll be home, I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up)  
Buttercup, baby  
Just to let me down (let me down)  
and mess me around  
And then worst of all (worst of all)  
you never call, baby  
When you say you will (say you will)  
but I love you still

I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup,  
Don't break my heart

To you I'm a toy but I could be the boy you  
adore, if you'd just let me know  
Although you're untrue, I'm attracted to you  
all the more, why do I need you so? Hey, hey, hey!

Baby, baby, try to find, hey, hey, hey!  
A little time and I'll make you mine  
I'll be home, I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up)  
Buttercup, baby  
Just to let me down (let me down)  
and mess me around  
And then worst of all (worst of all)  
you never call, baby  
When you say you will (say you will)  
but I love you still

I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up)  
Buttercup, don't break my heart

### **Californication (RHCP)**

---

Psychic spies from China,  
try to steal your mind's elation  
Little girls from Sweden,

dream of silver screen quotations  
And if you want these kind of dreams  
It's Californication

It's the edge of the world,  
and all of western civilization  
The sun may rise in the East  
at least it settles in the final location  
It's understood that Hollywood sells Californication

Pay your surgeon very well to break the spell of aging  
Celebrity skin, is this your chin?  
Or is that war you're waging?  
First born uni-corn. Hardcore soft porn  
Dream of Californication  
Dream of Californication

Marry me girl, be my fairy to the world.  
Be my very own constellation  
A teenage bride with a baby inside  
Getting high on information  
And buy me a star on the boulevard,  
it's Californication

Space may be the final frontier  
But it's made in a Hollywood basement  
Cobain can you hear the spheres  
singing songs off station to station?  
And Alderon's not far away, it's Californication

Born and raised by those who praise,  
control of population  
Everybody's been there and I don't mean on vacation  
First born uni-corn. Hardcore soft porn

Dream of Californication  
Dream of Californication

[Solo]

Destruction leads to a very rough road,  
but it also breeds creation  
And earthquakes are to a girl's guitar,

they're just another good vibration  
And tidal waves couldn't save the world from  
Californication

Pay your surgeon very well to break the spell of aging  
Sicker than the rest, there is no test?  
But this is what you're craving  
First born uni-corn. Hardcore soft porn  
Dream of Californication  
Dream of Californication  
Dream of Californication  
Dream of Californication

### **Cecilia**

---

Cecilia, you're breaking my heart  
You're shaking my confidence daily  
Oh Cecilia, I'm down on my knees  
I'm begging you please to come home

Cecilia, you're breaking my heart  
You're shaking my confidence daily  
Oh Cecilia, I'm down on my knees  
I'm begging you please to come home  
Come on home

Making love in the afternoon with Cecilia  
Up in my bedroom  
I got up to wash my face  
When I come back to bed  
Someone's taken my place ...

Cecilia, you're breaking my heart  
You're shaking my confidence daily  
Oh Cecilia, I'm down on my knees  
I'm begging you please to come home  
Come on home --> percussion solo!

Bo po bo bo ...

Jubilation, she loves me again  
I fall on the floor and I'm laughing  
Jubilation, she loves me again

I fall on the floor and I'm laughing  
Wo ho oooh ...

### **City of Stars (La La Land)**

---

City of stars, are you shining just for me?  
City of stars, there's so much that I can't see.  
Who knows?  
I felt it from the first embrace I shared with you  
That now our dreams, they've finally come true

City of stars, just one thing everybody wants.  
There in the bars and through the  
smokescreen of the crowded restaurants  
It's love, yes, all we're looking for is  
love from someone else

A rush, a glance, a touch, a dance

A look in somebody's eyes to light up the skies  
To open the world and send it reeling.  
A voice that says, I'll be here and you'll be alright.

I don't care if I know just where I will go  
'Cause all that I need is this crazy feeling.  
A rat-tat-tat on my heart  
Think I want it to stay.

City of stars, are you shining just for me?  
City of stars, you never shined so brightly

### **Clash City Rockers**

---

And I wanna move the town to the Clash City Rockers  
You need a little jump of electrical shocker  
Better leave town if you only wanna knock us  
Nothing stands the pressure of the Clash City Rocker

See the rate they come down the escalator  
Now listen to the tube train accelerator  
Then you realize that you got to have a purpose  
Or this place is gonna knock you out sooner or later  
So don't complain about your useless employment

Jack it in... forever tonight  
Or shut your mouth, and pretend you enjoy it  
Think of all... the money you've got

And I wanna liquefy everybody gone dry  
Or plug into the arrow that pokes up in the sky  
Burn down the suburb with the half-closed eyes  
You won't succeed unless you try

So don't complain about your useless employment  
Jack it in... forever tonight  
Or shut your mouth, shut it and pretend you enjoy it  
Think of all... the money you've got yeah yeah

Solo

Yes I wanna move the town to the Clash City Rockers  
You need a little jump of electrical shocker  
You better leave town if you only wanna knock us  
Nothing stands the pressure  
of the Clash City Rockers

You owe me a move say the bells of St. Groove  
Come on and show me say the bells of Old Bowie  
When I am fitter say the bells of Gary Glitter  
No one but you and I say the bells of Prince Far-I  
No one but you and I say the bells of Prince Far-I  
Solo

And I wanna move the town to the Clash City Rockers  
You need a little jump of electrical shocker  
You better leave town if you only wanna knock us  
Nothing stands the pressure  
of the Clash City Rockers

Rock, rock, clash city rockers... (repeat to fade)

### **Crazy Little Thing Called Love (Queen)**

This thing called love, I just can't handle it.  
This thing called love, I must get round to it.  
I ain't ready. Crazy little thing called love.  
This thing (this thing) called love (called love)

it cries (like a baby) in a cradle all night.  
It swings, it jives, it shakes all over like a jelly fish.  
I kinda like it, crazy little thing called love.

There goes my baby, she knows how to Rock n' Roll.  
She drives me crazy, she gives me hot and cold fever  
then she leaves me in a cool, cool sweat.

I gotta be cool, relax, get hip, get on my tracks.  
Take a back seat, hitch-hike,  
and take a long ride on my motor bike..  
Until I'm ready, crazy little thing called love.

Solo  
I gotta be cool, relax, get hip, get on my tracks.  
Take a back seat, hitch-hike,  
and take a long ride on my motor bike..  
Until I'm ready, crazy little thing called love.

This thing called love, I just can't handle it.  
This thing called love, I must get round to it.  
I ain't ready.

Crazy little thing called love.  
Crazy little thing called love.

### **Dancing Queen (ABBA)**

You can dance, you can jive,  
having the time of your life.  
Oh, see that girl, watch that scene,  
diggin' the dancing queen.

Friday night and the lights are low.  
Looking out for a place to go.  
Where they play the right music, getting in the swing.  
You've come to look for a king.

Anybody could be that guy.  
Night is young and the music's high.  
With a bit of rock music, everything is fine,  
You're in the mood for a dance.

And when you get the chance...  
You are the dancing queen, young and sweet, only 17.  
Dancing queen, feel the beat from the tambourine.  
Oh yeah.

You can dance, you can jive,  
having the time of your life.  
Oh, see that girl, watch that scene,  
diggin' the dancing queen.

You're a tease, and you turn 'em on.  
Leave 'em burning and then you're gone  
Looking out for another, Anyone will do,  
You're in the mood for a dance.  
And when you get the chance...

You are the dancing queen, young and sweet, only 17  
Dancing queen, feel the beat from the tambourine.  
Oh yeah.

You can dance, you can jive,  
having the time of your life.  
Oh, see that girl, watch that scene,  
diggin' the dancing queen.

### **Dear Prudence**

Dear Prudence, won't you come out to play?  
Dear Prudence, greet the brand new day  
The sun is up, the sky is blue,  
it's beautiful and so are you  
Dear Prudence, won't you come out to play?

Dear Prudence, open up your eyes  
Dear Prudence, see the sunny skies  
The wind is low, the birds will sing,  
that you are part of everything  
Dear Prudence, won't you open up your eyes?

Look around, round (round, round, round)  
Look around, round, round (round, round)  
Look aro-----und

Dear Prudence, let me see you smile  
Dear Prudence, like a little child  
The clouds will be a daisy chain,  
so let me see you smile again  
Dear Prudence, won't you let me see you smile?

Dear Prudence, won't you come out to play  
Dear Prudence, greet the brand new day  
The sun is up. The sky is blue.  
It's beautiful. And so are you.  
Dear Prudence, won't you come out to play?

### **Delilah (Tom Jones)**

---

I saw the light on the night that I passed  
by her window  
I saw the flickering shadows of love on her blind  
She was my woman  
As she deceived me I watched,  
and went out of my mind

My, my, my, Delilah – Why, why, why, Delilah  
I could see that girl was no good for me  
But I was lost like a slave that no man could free

At break of day when that man drove away  
I was waiting  
I crossed the street to her house and  
she opened the door  
She stood there laughing  
I felt the knife in my hand, and she laughed no more

My, my, my, Delilah  
Why, why, why, Delilah  
So before they come to break down the door  
Forgive me, Delilah, I just couldn't take any more  
She stood there laughing  
I felt the knife in my hand, and she laughed no more

My, my, my, Delilah. Why, why, why, Delilah?  
So before they come to break down the door  
Forgive me, Delilah, I just couldn't take any more  
Forgive me, Delilah, I just couldn't take any mo-ore!

### **Does Your Mother Know (ABBA)**

---

You're so hot, teasing me.  
So you're blue but I can't take a chance  
on a chick like you  
That's something I couldn't do

There's that look in your eyes.  
I can read in your face that your feelings  
are driving you wild.  
Ah, but girl you're only a child

Well I can dance with you honey,  
if you think it's funny.  
Does your mother know that you're out?  
And I can chat with you baby, flirt a little maybe.  
Does your mother know that you're out?

Take it easy (take it easy), better slow down girl  
That's no way to go, does your mother know?  
Take it easy (take it easy), try to cool it girl  
Take it nice and slow, does your mother know?

I can see what you want.  
But you seem pretty young to be searching  
for that kind of fun  
So maybe I'm not the one

Now you're so cute, I like your style  
And I know what you mean when you give me  
a flash of that smile (smile)  
But girl you're only a child

Well I can dance with you honey,  
if you think it's funny.  
Does your mother know that you're out?  
And I can chat with you baby, flirt a little maybe.  
Does your mother know that you're out?

Take it easy (take it easy), better slow down girl  
That's no way to go, does your mother know?  
Take it easy (take it easy), try to cool it girl  
Take it nice and slow, does your mother know?

Well I can dance with you honey,  
if you think it's funny.  
Does your mother know that you're out?  
And I can chat with you baby, flirt a little maybe.  
Does your mother know that you're out?

### **Don't Stop Me Now (Queen)**

---

Tonight I'm gonna have myself a real good time,  
I feel ali-ive  
And the world turning inside out yeah,  
I'm floating around in ecstasy  
So don't stop me now, don't stop me  
Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky,  
like a tiger, defying the law of gravity  
I'm a racing car passing by, like lady Godiva  
I'm gonna go go go there's no stopping me

I'm burning through the sky yeah,  
two hundred degrees  
That's why they call me Mr. Fahrenheit  
I'm travelling at the speed of light  
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time  
I'm having a ball  
Don't stop me now, if you wanna have a good time  
just give me a call  
Don't stop me, cause I'm having a good time  
Don't stop me, yes I'm having a good time  
I don't wanna stop at all

I'm a rocket ship on my way to Mars,  
on a collision course  
I'm a satellite, I'm out of control  
I'm a sex machine ready to reload, like an atom bomb  
About to oh oh oh explode

I'm burning through the sky yeah,  
two hundred degrees  
That's why they call me Mr. Fahrenheit

I'm travelling at the speed of light  
I wanna make a supersonic woman of you

Don't stop me, don't stop me, don't stop me (hey-hey)  
Don't stop me, don't stop me (ooh, ooh, ooh)  
Don't stop me, don't stop me  
(have a good time, good time)  
Don't stop me, don't stop me  
(woooooaawwwww)

[solo]

I'm burning thru the sky yeah, two hundred degrees  
That's why they call me Mr. Fahrenheit  
I'm travelling at the speed of light  
I wanna make a supersonic woman of you

Don't stop me now, I'm having such a good time  
I'm having a ball  
Don't stop me now, if you wanna have a good time  
Just give me a call

Don't stop me, cause I'm having a good time  
Don't stop me, yes I'm having a good time  
I don't wanna stop at all

## **Drive My Car**

---

Asked a girl what she wanted to be  
And she said baby, can't you see  
I want to be famous, a star of the screen  
But you can do something in between  
Baby you can drive my car, Yes I'm gonna be a star  
Baby you can drive my car, And maybe I'll love you

I told that girl that my prospects were good  
She said baby, it's understood  
Working for peanuts is all very fine  
But I can show you a better time

Baby you can drive my car, Yes I'm gonna be a star  
Baby you can drive my car, And maybe I'll love  
Beep-beep-m-beep-beep yeah! >> [Solo]

Baby you can drive my car, Yes I'm gonna be a star  
Baby you can drive my car, And maybe I'll love

I told that girl that I could start right away  
She said listen babe I've got something to say  
I got no car and it's breakin' my heart  
But I found a driver and that's a start

Baby you can drive my car, Yes I'm gonna be a star  
Baby you can drive my car, And maybe I'll love  
Beep-beep-m-beep-beep yeah! (Repeat to fade)

## **Eye Of The Tiger**

---

Risin' up, back on the street  
Did my time, took my chances  
Went the distance  
Now I'm back on my feet  
Just a man and his will to survive

So many times, it happens too fast  
You trade your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

It's the eye of the tiger  
It's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the  
Eye of the tiger

Face to face, out in the heat  
Hangin' tough, stayin' hungry  
They stack the odds  
Still we take to the street  
For the kill with the skill to survive

It's the eye of the tiger  
It's the thrill of the fight  
Risin' up to the challenge of our rival

And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the  
Eye of the tiger

Risin' up straight to the top  
Had the guts, got the glory  
Went the distance  
Now I'm not gonna stop  
Just a man and his will to survive

It's the eye of the tiger  
It's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the  
Eye of the tiger

The eye of the tiger, The eye of the tiger  
The eye of the tiger,  
The eye of the tiger

## **Eleanor Rigby**

---

Ah, look at all the lonely people.  
Ah, look at all the lonely people

Eleanor Rigby picks up the rice in the church  
where a wedding has been  
Lives in a dream Waits at the window,  
wearing the face that she keeps in a jar by the door.  
Who is it for?

All the lonely people — Where do they all come from?  
All the lonely people — Where do they all belong?

Father McKenzie writing the words of a sermon  
that no one will hear  
No one comes near. Look at him working.  
Darning his socks in the night  
when there's nobody there.  
What does he care?

All the lonely people — Where do they all come from?  
All the lonely people — Where do they all belong?

Ah, Look at all the lonely people  
Ah, Look at all the lonely people

Eleanor Rigby died in the church and was buried  
along with her name. Nobody came.  
Father McKenzie wiping the dirt from his hands as he  
walks from the grave. No one was saved

All the lonely people — Where do they all come from?  
All the lonely people — Where do they all belong?

### **Farewell To Nova Scotia**

---

The sun was setting in the west  
The birds were singing on every tree  
All nature seemed inclined for to rest  
But still there was no rest for me.  
Farewell to Nova Scotia, you seabound coast  
Let your mountains dark and dreary be  
For when I am far away on the briny ocean tossed  
Will you ever heave a sigh or a wish for me?

I grieve to leave my native land  
I grieve to leave my comrades all  
And my parents, whom I held so dear  
And my bonny, bonny lassie that I do adore.

Farewell to Nova Scotia, you seabound coast  
Let your mountains dark and dreary be  
For when I am far away on the briny ocean tossed  
Will you ever heave a sigh or a wish for me?

The drums do beat and the wars do alarm  
My captain calls, I must obey  
So farewell, farewell to Nova Scotia's charm  
For it's early in the morning, I'll be far, far away.

Farewell to Nova Scotia, you seabound coast  
Let your mountains dark and dreary be  
For when I am far away on the briny ocean tossed

Will you ever heave a sigh or a wish for me?

I have three brothers and they are at rest  
Their arms are folded on their breasts  
But a poor and simple sailor just like me  
Must be tossed and driven on the dark, blue sea

Farewell to Nova Scotia, you seabound coast  
Let your mountains dark and dreary be  
For when I am far away on the briny ocean tossed  
Will you ever heave a sigh or a wish for me?

### **Fernando (ABBA)**

---

Can you hear the drums Fernando?  
I remember long ago another starry night like this  
In the firelight Fernando  
You were humming to yourself  
and softly strumming your guitar  
I could hear the distant drums and sounds of bugle  
calls were coming from afar

They were closer now Fernando  
Every hour, every minute seemed to last eternally  
I was so afraid Fernando  
We were young and full of life  
and none of us prepared to die  
And I'm not ashamed to say the roar of guns and  
cannons almost made me cry

There was something in the air that night.  
The stars were bright, Fernando. They were shining  
there for you and me, for liberty, Fernando

Though we never thought we could lose,  
there's no regret  
If I had to do the same again,  
I would, my friend, Fernando  
If I had to do the same again,  
I would, my friend, Fernando

Now we're old and grey Fernando  
And since many years

I haven't seen a rifle in your hand  
Can you hear the drums Fernando?  
Do you still recall the fateful night  
we crossed the Rio Grande?  
I can see it in your eyes how proud you were to fight  
For freedom in this land

There was something in the air that night.  
The stars were bright, Fernando  
They were shining there for you and me,  
for liberty, Fernando  
Though we never thought we could lose,  
there's no regret.

### **Final Countdown**

---

We're leaving together, But still it's farewell  
And maybe we'll come back  
To earth, who can tell?  
I guess there is no one to blame  
We're leaving ground (leaving ground)  
Will things ever be the same again?  
It's the final countdown  
The final countdown...Oh

We're heading for Venus (Venus)  
And still we stand tall  
'Cause maybe they've seen us (seen us)  
And welcome us all, yeah

With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so

It's the final countdown, The final countdown  
The final countdown, The final countdown...  
Oh. It's the final countdown...

### **Fixing A Hole**

---

I'm fixing a hole where the rain gets in  
And stops my mind from wandering  
Where it will go

I'm filling the cracks that ran through the door  
And kept my mind from wandering  
Where it will go

And it really doesn't matter if I'm wrong, I'm right  
Where I belong, I'm right  
Where I belong

See the people standing there  
who disagree and never win  
And wonder why they don't get in my door

I'm painting the room in a colorful way  
And when my mind is wandering  
There I will go  
Ooh, ooh, ooh, ah, ah --> solo

And it really doesn't matter if I'm wrong, I'm right  
Where I belong, I'm right  
Where I belong

Silly people run around, they worry me  
And never ask me why they don't get past my door

I'm taking the time for a number of things  
That weren't important yesterday  
And I still go  
Ooh, ooh, ooh, ah, ah

ll: I'm fixing a hole where the rain gets in  
And stops my mind from wandering  
Where it will go, Where it will go :ll

## **Fly Me To The Moon**

---

Fly me to the moon, let me play among the stars,  
Let me see what spring is like on Jupiter and Mars,  
In other words, hold my hand!  
In other words, darling kiss me!  
Fill my heart with song, and let me sing forever more  
you are all I long for all I worship & adore

In other words, please be true

In other words, I love you  
[Repeat Verse 1 and 2]  
In other words, In other words...  
In other words, I love You!

## **Folsom Prison Blues (Johnny Cash)**

---

I hear the train a comin, It's rollin round the bend  
I ain't seen the sunshine since, I don't know when  
I'm stuck in Folsom Prison,  
And time keeps draggin on  
But that train keeps a rollin on down to San Antone

When I was just a baby, my mamma told me son  
Always be a good boy don't ever play with guns  
But I shot a man in Reno [clap, clap, clap]  
Just to watch him die  
When I hear that whistle blowin'  
I hang my head and cry

(Solo)

I bet there's rich folk eatin in a fancy dinin car  
Prob'ly drinkin coffee and smokin big cigars  
But I knew I had it comin, I know I can't be free  
But those people keep a-movin',  
and that's what tortures me

(solo repeat)

If they freed me from this prison,  
If that railroad train was mine  
I think that I would move a little farther down the line  
Far from Folsom prison, that's where I'd want to stay  
And I'd let that lonesome whistle  
blow my blues away

## **The Gambler**

---

On a warm summer's evenin'  
on a train bound for nowhere,  
I met up with the gambler;  
we were both too tired to sleep.

So we took turns a starin'  
out the window at the darkness  
'til boredom overtook us, and he began to speak.

He said, "Son, I've made a life  
out of readin' people's faces,  
and knowin' what their cards were  
by the way they held their eyes.  
And if you don't mind my sayin',  
I can see you're out of aces.  
For a taste of your whiskey I'll give you some advice."

So I handed him my bottle  
and he drank down my last swallow.  
Then he bummed a cigarette and asked me for a  
light.  
And the night got deathly quiet,  
and his face lost all expression.  
Said, "If you're gon play the game boy  
ya gotta learn to play it right

You got to know when to hold 'em,  
know when to fold 'em,  
know when to walk away and know when to run.  
You never count your money  
when you're sittin' at the table.  
There'll be time enough for countin'  
when the dealin's done.

Ev'ry gambler knows that the secret to survivin'  
is knowin' what to throw away  
and knowing what to keep.  
'Cause ev'ry hand's a winner and ev'ry hand's a loser,  
and the best that you can hope for  
is to die in your sleep."

And when he'd finished speakin',  
he turned back towards the window,  
crushed out his cigarette and faded off to sleep.  
And somewhere in the darkness  
the gambler, he broke even.  
But in his final words I found an ace that I could keep.

You got to know when to hold 'em,  
know when to fold 'em,  
know when to walk away and know when to run.  
You never count your money  
when you're sittin' at the table.  
There'll be time enough for countin'  
when the dealin's done.

(a capella)

You got to know when to hold 'em,  
know when to fold 'em,  
know when to walk away and know when to run.  
You never count your money  
when you're sittin' at the table.  
There'll be time enough for countin'  
when the dealin's done.

You got to know when to hold 'em,  
know when to fold 'em,  
know when to walk away and know when to run.  
You never count your money  
when you're sittin' at the table.  
There'll be time enough for countin'  
when the dealin's done.

## **Georgia On My Mind**

---

Georgia, Georgia, the whole day through  
Just an old sweet song keeps Georgia on my mind  
(Georgia on my mind)  
Georgia, Georgia, a song of you  
Comes as sweet and clear  
as moonlight through the pines

Other arms reach out to me  
Other eyes smile tenderly  
Still in peaceful dreams I see  
the road leads back to you  
Georgia, Georgia, no peace I find  
Just an old sweet song keeps Georgia on my mind

Other arms reach out to me  
Other eyes smile tenderly

Still in peaceful dreams I see  
the road leads back to you

Georgia, Georgia, no peace I find  
Just an old sweet song keeps Georgia on my mind

## **Getting Better**

---

It's getting better all the time.

I used to get mad at my school.  
(No, I can't complain)  
The teachers who taught me weren't cool,  
(No, I can't complain)

You're holding me down (Ah),  
turning me round. (Ah)  
Filling me up with your rules,

I've got to admit it's getting better.  
A little better all the time, (It can't get no worse)  
I have to admit it's getting better,  
It's getting better since you've been mine.

Me used to be angry young man,  
Me hiding me head in the sand.  
You gave me the word, I finally heard,  
I'm doing the best that I can.

I've got to admit it's getting better.  
A little bet-ter all the time, (It can't get no worse)  
I have to admit it's getting better,  
It's getting better since you've been mine.  
Getting so much bet-ter all the time  
It's getting bet-ter all the time.

Bet-ter, bet-ter, bet-ter.  
It's getting better all the ti-me,  
Bet-ter, bet-ter, bet-ter.

I used to be cruel to my woman,  
I beat her and kept her apart  
from the things that she loved.

Man I was mean but I'm changing my scene,  
And I'm doing the best that I can.

I admit it's getting bet-ter  
A little bet-ter all the time. (It can't get no worse)  
Yes, admit it's getting better,  
It's getting better since you've been mine.  
Getting so much better all the time  
It's getting better all the ti-me,

Bet-ter, bet-ter, bet-ter.  
It's getting better all the ti-me,  
Bet-ter, bet-ter, bet-ter.

Getting so much better all the time

## **Gimme, Gimme, Gimme (a man after midnight)**

---

Half past twelve and I'm watching the late show  
in my flat all alone  
How I hate to spend the evening on my own

Autumn winds blowing outside the window  
as I look around the room  
And it makes me so depressed to see the gloom

There's not a soul out there.  
No one to hear my prayer

Gimme gimme gimme a man after midnight  
Won't somebody help me chase these shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day

Movie stars find the end of the rainbow,  
with that fortune to win  
It's so different from the world I'm living in  
Tired of T.V. I open the window  
and I gaze into the night  
But there's nothing there to see, no one in sight

There's not a soul out there.

No one to hear my prayer

Gimme gimme gimme a man after midnight  
Won't somebody help me chase these shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day

[Instrumental break]

There's not a soul out there.  
No one to hear my prayer

Gimme gimme gimme a man after midnight  
Won't somebody help me chase these shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day

## **Goodbye Yellow Brick Road**

---

When are you gonna come down  
When are you going to land  
I should have stayed on the farm, I should have  
Listened to my old man

You know you can't hold me forever  
I didn't sign up with you  
I'm not a present for your friends to open  
This boy's too young to be singing the  
Blues... Ah..ah..ah..ah... Ah..ah..ah

So Goodbye yellow brick road  
Where the dogs of society howl  
You can't plant me in your penthouse  
I'm going back to my plough

Back to the howling old owl in the woods  
Hunting the horny back toad  
Oh I've finally decided, my future lies  
Beyond the yellow brick Road... Ah..ah..ah..ah...

What do you think you'll do then  
I bet they'll shoot down your plane  
It'll take you a couple of vodka and tonics

To set you on your feet again

Maybe you'll get a replacement  
There's plenty like me to be found  
Mongrels who ain't got a penny  
Sniffing for tit-bits like you on the  
Ground... Ah..ah..ah..ah... Ah..ah..ah

So Goodbye yellow brick road  
Where the dogs of society howl  
You can't plant me in your penthouse  
I'm going back to my plough

Back to the howling old owl in the woods  
Hunting the horny back toad  
Oh I've finally decided, my future lies  
Beyond the yellow brick  
Road... Ah..ah..ah..ah... Ah..ah..ah ah

## **Got To Get You Into My Life**

---

I was alone I took a ride,  
I didn't know what I would find there  
Another road where maybe I  
can see another kind of mind there

Ooh, then I suddenly see you  
Did I tell you I need you  
Every single day of my life

You didn't run you didn't lie  
you I wanted just to hold you  
And had you gone you'd knew in time  
we'd meet again for I'd have told you

Ooh, you were meant to be near me  
Ooh, and I want you hear me  
Say we'll be together every day

Got to get you into my life [horn riff]  
What can I do? What can I be  
when I'm with you I wanna stay there  
If I'm true I'll never leave

and if I do I know the way there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life

Got to get you into my life

solo

Got to get you into my life

I was alone I took a ride,  
I didn't know what I would find there  
Another road where maybe I  
can see another kind of mind there  
Then suddenly see you  
Did I tell you I need you  
Every single day

## **Guns of Brixton**

---

When they kick at your front door,  
How you gonna come?  
With your hands on your head  
Or on the trigger of your gun?

When the law breaks in, How you gonna go?  
Shot down on the pavement  
Or waiting on death row?

You can crush us You can bruise us  
But you'll have to answer to,  
Oh-oh, the guns of Brixton

The money feels good And your life you like it well  
But surely your time will come As in heaven, as in hell

You see, he feels like Ivan  
Born under the Brixton sun  
His game is called survival  
At the end of "The Harder They Come"

You know it means no mercy  
They caught him with a gun  
No need for the Black Maria,  
Goodbye to the Brixton sun

You can crush us You can bruise us  
But you'll have to answer to,  
Oh-oh, the guns of Brixton

When they kick at your front door,  
How you gonna come?  
With your hands on your head?  
Or on the trigger of your gun?

When the law breaks in, How you gonna go?  
Shot down on the pavement  
Or waiting on death row?

You can crush us You can bruise us  
Can even shoot us  
Oh-oh, the guns of Brixton

ll: Oh-oh, the guns of Brixton. :ll

## Hallelujah

---

I heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do ya?

It goes like this the fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew ya

She tied you to a kitchen chair  
She broke your throne, and she cut your hair

And from your lips she drew the Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Maybe I've been here before,  
I know this room I've walked the floor,  
I used to live alone before i knew ya  
I've seen your flag on the marble arch,  
Love is not a victory march,  
It's a cold and it's a broken hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Maybe there's a God above,  
But all I ever learned from love,  
Is how to shoot somebody who outdrew ya,

It's not a cry you hear at night,  
It's not someone who's seen the light,  
It's a cold and broken hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

## Happiness Is A Warm Gun

---

She's not a girl who misses much,  
Do do do do do do do, oh yeah.

She's well acquainted  
with the touch of the velvet hand,  
Like a lizard on a window pane.

The man in the crowd with the multicoloured mirrors,  
on his hobnail boots.

Lying with his eyes while his  
hands are busy, working overtime.  
A soap impression of his wife which he ate, & donat-  
ed to the National Trust

Solo

I need a fix cos I'm going down,  
Down to the bits that I left uptown.  
I need a fix cos I'm going down  
Mother Superior jump the gun.  
Mother Superior jump the gun. X3

Happiness is a warm gun  
(Happiness bang, bang, shoot, shoot)  
Happiness is a warm gun, mama  
(Happiness bang, bang, shoot, shoot)

When I hold you in my arms (Oo-oo oh yeah),  
And I feel my finger on your trigger (Oo-oo oh yeah).  
I know no one can do me no harm (Oo-oo oh yeah),

Because happiness is a warm gun, mama  
Happiness bang, bang, shoot, shoot  
Happiness is a warm gun. Yes it is  
Happiness bang, bang, shoot, shoot

Happiness is a warm, yes it is... gun  
Well, don't you know happiness is a warm gun,  
mama? (Is a warm gun, yeah)

## Hard To Say I'm Sorry (Chicago)

---

Everybody needs a little time away  
I heard her say. From each other

Even lovers need a holiday  
Far away from each other

Hold me now  
It's hard for me to say I'm sorry  
I just want you to stay

After all that we've been through  
I will make it up to you  
I promise to

And after all that's been said and done  
You're just the part of me I can't let go. Ooh--ooh

Couldn't stand to be kept away  
Just for the day  
From your body  
Wouldn't wanna be swept away  
Far away from the one that I love

Hold me now  
It's hard for me to say I'm sorry  
I just want you to stay  
Hold me now  
I really wanna tell you I'm sorry  
I could never let you go

After all that we've been through  
I will make it up to you. I promise to.

And after all that's been said and done  
You're just the part of me I can't let go

After all that we've been through  
I will make it up to you. I promise to.

[Solo]  
You're gonna be the lucky one

### **Heart Of Gold (Neil Young)**

---

I wanna live, I wanna give  
I've been a miner for a heart of gold.  
It's these expressions I never give

That keep me searchin for a heart of gold  
And I'm gettin old.

That keep me searchin for a heart of gold  
And I'm gettin old.  
solo

I've been to Hollywood, I've been to Redwood  
I crossed the ocean for a heart of gold  
I've been in my mind, it's such a fine line  
That keep me searchin for a heart of gold  
And I'm gettin old.

That keeps me searching for a Heart of Gold  
And I'm getting old.

Keep me searchin for a heart of gold  
You keep me searchin and I'm growin old  
Keep me searchin for a heart of gold  
I've been a miner for a heart of gold.

### **Hello (Adele)**

---

Hello, it's me, I was wondering  
If after all these years you'd like to meet  
to go over everything

They say that time's supposed to heal, ya  
But I ain't done much healing

Hello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the  
world fell at our feet

There's such a difference between us  
And a million miles

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter,  
it clearly doesn't tear you apart anymore

Hello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well Did you ever make it out of  
that town where nothing ever happened?  
It's no secret that the both of us  
are running out of time

So hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter, it clearly doesn't tear you apart  
anymore

||: Ooh, anymore, Ooh, anymore :||

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter, it clearly doesn't tear you apart  
anymore

### **Hello (Lionel Richie!)**

---

I've been alone with you inside my mind  
And in my dreams I've kissed your lips  
a thousand times  
I sometimes see you pass outside my door  
Hello, is it me you're looking for?

I can see it in your eyes, I can see it in your smile  
You're all I've ever wanted,  
(and) my arms are open wide  
'Cause you know just what to say,  
and you know just what to do  
And I want to tell you so much, I love you ...

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow  
Hello, I've just got to let you know

'Cause I wonder where you are,  
and I wonder what you do  
Are you somewhere feeling lonely,  
or is someone loving you?  
Tell me how to win your heart, for I haven't got a clue  
But let me start by saying, I love you ...

[solo] -> Hello, is it me you're looking for?

'Cause I wonder where you are,  
and I wonder what you do  
Are you somewhere feeling lonely,  
or is someone loving you?  
Tell me how to win your heart, for I haven't got a clue  
But let me start by saying, I love you ...

## Helter Skelter

---

When I get to the bottom  
I go back to the top of the slide  
Where I stop and I turn and I go for a ride  
Till I get to the bottom and I see you again yeah,  
yeah.

Do you, don't you want me to love you  
I'm coming down fast but I'm miles above you  
Tell me, tell me, tell me, come on tell me the answer  
Well, you may be a lover but you ain't no dancer

Helter skelter, Helter skelter  
Helter skelter

Will you, won't you want me to make you  
I'm coming down fast but don't let me break you  
Tell me, tell me, tell me the answer  
You may be a lover but you ain't no dancer  
Helter skelter, Helter skelter,  
Helter skelter. Look out, 'cause here she comes.

solo

When I get to the bottom  
I go back to the top of the slide  
Where I stop and I turn and I go for a ride

Till I get to the bottom and I see you again, yeah,  
yeah.

Well do you, don't you want me to make you  
I'm coming down fast but don't let me break you  
Tell me, tell me, tell me the answer  
You may be a lover but you ain't no dancer  
Look out  
Helter skelter, Helter skelter. Helter skelter

Look out, Helter skelter  
She's coming down fast,  
Yes, she is, yes she is.  
Coming down fast.

## Here Comes The Sun

---

Here comes the sun  
Here comes the sun, And I say It's all right

Little darling, its been a long, cold, lonely winter  
Little darling it feels like years since its been here  
Here comes the sun  
Here comes the sun, And I say It's all right

Little darling, the smile's returning to their faces,  
Little darling, it seems like years since its been here  
Here comes the sun  
Here comes the sun, And I say It's all right

Sun, sun, sun, here it comes (x5)

Little darling, I feel that ice is slowly melting,  
Little darling, it seems like years since it's been clear  
Here comes the sun, Here comes the sun  
And I say It's all right — it's all right — It's all right

## Here There and Everywhere

---

To lead a better life, I need my love to be here.  
Here, making each day of the year  
Changing my life with a wave of her hand,  
Nobody can deny that there's something there.

There, running my hands through her hair  
Both of us thinking how good it can be  
Someone is speaking, but she doesn't know he's  
there.

I want her everywhere  
And if she's beside me I know I need never care.  
But to love her is to need her everywhere  
Knowing that love is to share,  
Each one believing that love never dies  
Watching her eyes, and hoping I'm always there.

I want her everywhere  
And if she's beside me I know I need never care.  
But to love her is to need her everywhere  
Knowing that love is to share,  
Each one believing that love never dies  
Watching her eyes, and hoping I'm always there.

I will be here, there, and everywhere  
Here, there, and everywhere.

## Hey Jude

---

Hey Jude don't make it bad  
take a sad song and make it better  
Remember to let her into your heart  
and then you can start to make it better

Hey Jude don't be afraid  
you were made to go out and get her  
The minute you let her under your skin  
then you begin to make it better

And anytime you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders  
For well you know that it's a fool who plays it cool  
by making his world a little colder

Da da da da da. Da da da da.  
Hey Jude don't let me down  
You have found her now go and get her  
Remember to let her into you heart

then you can start to make it better

So let it out and let it in Hey Jude begin  
your waiting for someone to perform with  
And don't you know that its just you  
Hey Jude you'll do  
The movement you need is on your shoulders  
Da da da da da. Da da da da.

Hey Jude don't make it bad  
take a sad song and make it better  
Remember to let her under your skin  
then you'll begin to make it better, better, better,  
better

ll: Na na na na na na na, Na na na na. Hey Jude :ll

### **Hey There Delilah (Plain White T's)**

Hey there Delilah What's it like in New York City?  
I'm a thousand miles away  
But girl, tonight you look so pretty, yes you do  
Times Square can't shine as bright as you  
I swear it's true

Hey there Delilah, Don't you worry about the distance  
I'm right there if you get lonely,  
give this song another listen  
Close your eyes Listen to my voice, it's my disguise  
I'm by your side

Oh it's what you do to me, Oh it's what you do to me  
Oh it's what you do to me, Oh it's what you do to me  
What you do to me

Hey there Delilah, I know times are getting hard  
But just believe me, girl Someday I'll pay  
the bills with this guitar, We'll have it good  
We'll have the life we knew we would  
My word is good

Hey there Delilah, I've got so much left to say  
If every simple song I wrote to you

Would take your breath away, I'd write it all  
Even more in love with me you'd fall – We'd have it all

Oh it's what you do to me, Oh it's what you do to me  
Oh it's what you do to me, Oh it's what you do to me

A thousand miles seems pretty far  
But they've got planes and trains and cars  
I'd walk to you if I had no other way  
Our friends would all make fun of us  
and we'll just laugh along because we know  
That none of them have felt this way

Delilah I can promise you  
That by the time we get through  
The world will never ever be the same  
And you're to blame

Hey there Delilah, You be good and don't you miss  
me  
Two more years and you'll be done with school  
And I'll be making history like I do  
You'll know it's all because of you  
We can do whatever we want to

Hey there Delilah here's to you  
This one's for you

ll: Oh it's what you do to me :ll  
Oh it's what you do to me  
What you do to me

### **Himlen Runt Hörnet (Lisa Nilsson)**

Så många människor omkring mig,  
utan varken mening eller mål  
Alltid nån som blir över, säg mig,  
varför blir det alltid så?

Nån däruppe måste ha sett mig och tänkt att  
nu så är det väl ändå hennes tur  
Min tur att träffa nån som vet vad jag behöver  
Det verkar som mina ensamma da'r för alltid är över

För jag har himlen runt hörnet  
en egen ängel i en säng, som om  
himplens alla små stjärnor  
sjöng för mig, sjöng för dig  
i en underbar refräng  
Du är himlen runt hörnet för mig

Nå, jag reste runt jorden,  
men du fanns här mitt framför mig  
Och Gud vet vad jag hade gjort och hur jag hade  
mått om jag inte träffat dig

Jag levde som ett frö för vinden,  
tog kärlek där jag fick den och dagen som den kom  
Men jag har dig nu, som vet vad jag behöver  
det verkar som mina ensamma da'r för alltid är över.

För jag har himlen runt hörnet  
en egen ängel i en säng, som om  
himplens alla små stjärnor  
sjöng för mig, sjöng för dig  
i en underbar refräng  
Du är himlen runt hörnet för mig

### **Home For A Rest (Spirit Of The West)**

You'll have to excuse me, I'm not at my best  
I've been gone for a month,  
I've been drunk since I left  
These so-called vacations will soon be my death  
I'm so sick from the drink I need home for a rest.

We arrived in December and London was cold  
We stayed in the bars along Charing Cross Road  
We never saw nothin' but brass taps and oak  
Kept a shine on the bar with the sleeves of our coats

You'll have to excuse me, I'm not at my best  
I've been gone for a week, I've been drunk since I left  
And these so-called vacations, will soon be my death  
I'm so sick from the drink, I need home for a rest  
Take me home....  
[solo]

Euston Station the train journey North  
In the buffet car we lurched back and forth  
Past old crooked dykes  
through Yorkshire's green fields  
We were flung into dance  
as the train jiggled and reeled

You'll have to excuse me, I'm not at my best  
I've been gone for a week, I've been drunk since I left  
And these so-called vacations, will soon be my death  
I'm so sick from the drink, I need home for a rest

Take me home....[solo]

By the light of the moon,  
she'd drift through the streets  
A rare old perfume, so seductive and sweet  
She'd tease us and flirt, as the pubs all closed down  
Then walk us on home and deny us a round

You'll have to excuse me, I'm not at my best  
I've been gone for a week, I've been drunk since I left  
And these so-called vacations, will soon be my death  
I'm so sick from the drink, I need home for a rest

Take me home....[solo]

The gas heater's empty, it's damp as a tomb  
The spirits we drank now ghosts in the room  
I'm knackered again, come on sleep take me soon  
And don't lift up my head 'till the twelve bells at noon

You'll have to excuse me, I'm not at my best  
I've been gone for a week, I've been drunk since I left  
And these so-called vacations, will soon be my death  
I'm so sick from the drink, I need home for a rest  
Take me home....[solo -> end]

## **Hotel California**

---

On a dark desert highway, cool wind in my hair  
Warm smell of colitas, rising up through the air  
Up ahead in the distance, I saw a shimmering light

My head grew heavy and my sight grew dim  
I had to stop for the night

There she stood in the doorway;  
I heard the mission bell  
And I was thinking to myself,  
"This could be Heaven or this could be Hell"  
Then she lit up a candle and she showed me the way  
There were voices down the corridor,  
I thought I heard them say...

Welcome to the Hotel California  
Such a lovely place (Such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year (Any time of year)  
You can find it here

Her mind is Tiffany-twisted,  
she got the Mercedes Benz  
She got a lot of pretty, pretty boys she calls friends  
How they dance in the courtyard,  
sweet summer sweat.  
Some dance to remember, some dance to forget

So I called up the Captain, "Please bring me my wine"  
He said, "We haven't had that spirit here since 1969."  
And still those voices are calling from far away,  
Wake you up in the middle of the night,  
Just to hear them say...

Welcome to the Hotel California  
Such a lovely place (Such a lovely place)  
Such a lovely face  
What a nice surprise (what a nice surprise)  
Bring your alibis

Mirrors on the ceiling, the pink champagne on ice  
And she said "We are all just prisoners here,  
of our own device"  
And in the master's chambers,  
they gathered for the feast  
They stab it with their steely knives,

But they just can't kill the beast

Last thing I remember, I was running for the door  
I had to find the passage back  
to the place I was before  
"Relax, " said the night man,  
"We are programmed to receive.  
You can check-out any time you like,  
But you can never leave!"

## **Hungry Like The Wolf (Duran Duran)**

---

Darken the city, night is a wire,  
Steam in the subway, earth is afire  
Do do do do do do do dodo dododo dodo

Woman, you want me, give me a sign,  
and catch my breathing even closer behind  
Do do do do do do do dodo dododo dodo

In touch with the ground I'm on the hunt I'm after you  
Smell like I sound, I'm lost in a crowd  
and I'm hungry like the wolf

Straddle the line in discord and rhyme  
I'm on the hunt I'm after you  
Mouth is alive with juices like wine  
and I'm hungry like the wolf

Stalked in the forest, too close to hide  
I'll be upon you by the moonlight side  
Do do do do do do do dodo dododo dodo

High blood drumming on your skin, so tight  
You feel my heat, I'm just a moment behind  
Do do do do do do do dodo dododo dodo

In touch with the ground I'm on the hunt I'm after you  
A scent and a sound, I'm lost and I'm found,  
And I'm hungry like the wolf

Strut on a line, it's discord and rhyme  
I howl and I whine, I'm after you

Mouth is alive, all running inside,  
and I'm hungry like the wolf

Hungry like the wolf. Hungry like the wolf.  
Hungry like the wolf

Burning the ground, I break from the crowd  
I'm on the hunt, I'm after you  
I smell like I sound, I'm lost and I'm found,  
and I'm hungry like the wolf

Strut on a line, it's discord and rhyme  
I'm on the hunt, I'm after you  
Mouth is alive with juices like wine,  
and I'm hungry like the wolf

### **I Am The Walrus**

I am he as you are he  
As you are me and we are all together.  
See how they run like pigs from a gun,  
see how they fly. I'm crying.

Sitting on a cornflake, waiting for the van to come.  
Corporation T-shirt stupid bloody Tuesday,  
Man, you been a naughty boy,  
you let your face grow long.

I am the eggman, they are the eggmen,  
I am the walrus -- Goo goo g'joob.

Mr. City p'licemen sitting  
pretty little p'licemen in a row.  
See how they fly like Lucy in the sky,  
See how they run. I'm crying.  
I'm cry-ing, I'm crying, I'm cry-ing.

Yellow matter custard,  
dripping from a dead dog's eye.  
Crabalocker fishwife, pornographic priestess,  
Boy, you been a naughty girl,  
you let your knickers down.

I am the eggman, they are the eggmen  
I am the walrus. Goo goo g'joob.

Sitting in an English garden, waiting for the sun.  
If the sun don't come, you get a tan from standing in  
the English rain.

I am the eggman, they are the eggmen  
I am the walrus. Goo goo g'joob.  
Goo goo goo g'joob.

Expert texpert choking smokers,  
don't you think the joker laughs at you? (hahaha)  
See how they smile like pigs in the sty,  
see how they snied, I'm crying.

Semolina pilchard, climbing up the Eiffel Tower.  
Elementary penguin singing Hare Krishna,  
Man, you should have seen them  
kicking Edgar Allen Poe.

I am the eggman, they are the eggmen  
I am the walrus. Goo goo g'joob

Goo goo goo g'joob, Goo goo g'joob,  
Goo goo goo g'joob, goo.

Joob-a, joob-a...  
Oompa, oompa, stick it up your jumper...  
(repeat to fade)

### **I Can See Clearly Now**

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Gone all the dark clouds that had me blind

It's gonna be a bright, (bright) bright, (bright)  
sun shiny day  
It's gonna be a bright, (bright) bright, (bright)  
sun shiny day

I think I can make it now the pain is gone,

All of the bad feelings have disappeared.  
Here is the rainbow I have been praying for.

It's gonna be a bright, (bright) bright, (bright)  
sun shiny day  
Look all around, there's nothing but blue skies  
Look straight ahead, there's nothing but blue ski—ies.

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Gone all the dark clouds that had me blind

It's gonna be a bright, (bright) bright, (bright)  
sun shiny day (3x)

### **I Can't Help Falling In Love With You**

Wise men say, only fools rush in  
But I can't help falling in love with you

Shall I stay, would it be a sin  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes, some things are meant to be

Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes, some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

### **I Don't Know How To Love Him (JCS)**

I don't know how to love him,  
what to do how to move him  
I've been changed yes really changed  
in these past few days when I've seen myself  
I seem like some one else

I don't know how to take this,

I don't see why he moves me  
He's a man, he's just one man and  
I've had so many men before  
in very many ways, he's just one more

Should I bring him down?  
Should I scream and shout?  
Should I speak of love or let my feelings out?  
I never thought I'd come to this  
What's it all about?

[Solo]

Don't you think it's rather funny,  
I should be in this position  
I'm the one who's always been, so calm, so cool.  
No lovers fool. Running every show, he scares me so.

[Solo]

I never thought I'd come to this, what's it all about?

But if he said he loved me,  
I'd be lost I'd be frightened  
I couldn't cope, just couldn't cope  
I'd turn my head,  
I'd back away I wouldn't want to know.  
He scares me so -- I want him so. I love him so

### **I Dreamed A Dream (Les Miserables)**

I dreamed a dream in time gone by  
When hope was high, And life worth living  
I dreamed that love would never die  
I dreamed that God would be forgiving

Then I was young and unafraid  
And dreams were made and used and wasted  
There was no ransom to be paid  
No song unsung, no wine untasted

But the tigers come at night  
With their voices soft as thunder  
As they tear your hope apart  
And they turn your dream to shame

He slept a summer by my side  
He filled my days with endless wonder  
He took my childhood in his stride  
But he was gone when autumn came

And still I dream he'll come to me  
That we will live the years together  
But there are dreams that cannot be  
And there are storms we cannot weather

[brief solo]

I had a dream my life would be  
So different from this hell I'm living  
So different now from what it seemed  
Now life has killed the dream I dreamed.

### **I Fought The Law (Clash)**

Breakin' rocks in the hot sun  
I fought the law and the law won  
I fought the law and the law won

I needed money 'cause I had none  
I fought the law and the law won  
I fought the law and the law won

I left my baby and it feels so bad  
I guess my race is run  
She's the best girl I ever had  
I fought the law and the law won  
I fought the law and the [end]

### **I'll be there for you (Friends Theme Song)**

So no one told you life was gonna be this way  
Your job's a joke, you're broke, your love life's D.O.A  
It's like you're always stuck in second gear  
When it hasn't been your day, your week your month  
or even your year

But... I'll be there for you (when the rain starts to fall)  
I'll be there for you (like I've been there before)  
I'll be there for you (cause you're there for me too)

You're still at bed at 10, and work began at 8,  
You've burned your breakfast,  
so far things are going great  
Your mother warned you there'd be days like these  
She didn't tell you when the world has brought you  
down to your knees...

That... I'll be there for you (when the rain starts to fall)  
I'll be there for you (like I've been there before)  
I'll be there for you (cause you're there for me too)

No one could ever know me,  
No one could ever see me  
seems you're the only one who knows  
what it's like to be me  
Someone to face the day with,  
make it through all the mess with  
some one I'll always laugh with  
even under the worst I'm best with you

solo

It's like you always stuck in second gear  
when it hasn't been your day, your week, your month,  
or even your year

But... I'll be there for you (when the rain starts to fall)  
I'll be there for you (like I've been there before)  
I'll be there for you (cause you're there for me too)

### **Imagine (John Lennon)**

Imagine there's no heaven, It's easy if you try  
No hell below us. Above us only sky  
Imagine all the people,  
Living for today a-haha

Imagine there's no countries. It isn't hard to do.  
Nothing to kill or die for. And no religion too.  
Imagine all the people,  
Living life in peace - you-hou..

You may say I'm a dreamer

But I'm not the only one  
I hope some day you'll join us  
And the world will be as one

Imagine no possessions. I wonder if you can  
No need for greed or hunger. A brotherhood of man  
Imagine all the people,  
Sharing all the world - you-hou..

You may say I'm a dreamer  
But I'm not the only one  
I hope some day you'll join us  
And the world will live as one

### **I'm Yours (Jason Mraz)**

---

Well, you done done me and you bet I felt it,  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks,  
now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest  
Nothing's going to stop me but divine intervention  
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well, open up your mind and see like me  
Open up your plans and then you're free  
Look into your heart and you'll find love love love  
love

Listen to the music of the moment people,  
dance and sing, We're just one big family  
And it's our God-forsaken right to be loved loved  
loved loved...

So I won't hesitate no more, no more  
It cannot wait, I'm sure

There's no need to complicate, our time is short

This is our fate, I'm yours  
D-d-do do you, but do you, D-d-do  
But do you want to come on  
Scooch on over closer dear And I will nibble your ear

I've been spending way too long  
checking my tongue in the mirror  
And bending over backwards  
just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed

I guess what I be saying is there  
ain't no better reason  
To rid yourself of vanities and  
just go with the seasons  
It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well, open up your mind and see like me  
Open up your plans and man you're free  
Look into your heart and you'll find that  
the sky is yours

There's no need to complicate  
'Cause our time is short  
This is our fate  
I'm yours

### **In My Life**

---

There are places I'll remember all my life  
though some have changed,  
Some forever not for better,  
some have gone and some remain.

All these places had their moments,  
with lovers and friends I still can recall,  
Some are dead and some are living,  
in my life I've loved them all.

But of all these friends and lovers,  
there is no one compares with you,  
And these memories lose their meaning,  
when I think of love as something new.

Though I know I'll never lose affection  
for people and things that went before,  
I know I'll often stop and think about them,  
in my life I'll love you more.

[Piano solo]

Though I know I'll never lose affection  
for people and things that went before,  
I know I'll often stop and think about them,  
in my life I'll love you more.

In my life I'll love you more.

### **In Summer (Olaf from "Frozen")**

---

Bees'll buzz, kids'll blow dandelion fuzz  
And I'll be doing whatever snow does in summer.  
A drink in my hand, my snow up against  
the burning sand  
Prob'ly getting gorgeously tanned in summer.

I'll finally see a summer breeze,  
blow away a winter storm.  
And find out what happens to solid water  
when it gets warm!

And I can't wait to see,  
what my buddies all think of me.  
Just imagine how much cooler I'll be in summer.

Dah dah, da doo, uh bah bah bah bah boo  
The hot and the cold are both so intense,  
Put 'em together it just makes sense!  
Rrr Raht da daht dah dah dah  
dah dah dah dah dat doo

Winter's a good time to stay in and cuddle,

But put me in summer and I'll be a...  
Happy snowman!  
When life gets rough, I like to hold on to my dream,  
Of relaxing in the summer sun, just lettin' off steam.

Oh the sky would be blue,  
and you guys will be there too  
When I finally do what frozen things do in summer.

IIIIIIINNNNN SUUUUUMMMMMMEEERRRR!!

### **I Saw Her Standing There**

---

Well she was just seventeen  
and you know what I mean  
And the way she looked was way beyond compare  
So how could I dance with another oh,  
when I saw her standing there

Well she looked at me and I, I could see  
That before too long I'd fall in love with her  
She wouldn't dance with another  
Oh, when I saw her standing there

Well my heart went boom when I crossed that room  
and I held her hand in mi—ine

Oh, we danced through the night  
and we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another  
Oh, since I saw her standing there

Well my heart went boom when I crossed that room  
and I held her hand in mine  
Well we danced through the night  
and we held each other tight  
And before too long I fell in love with her

Now I'll never dance with another  
Oh, since I saw her standing there  
Since I saw her standing there  
Yeah, Well since I saw her standing there

### **I Walk the Line (Johnny Cash)**

---

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine I walk the line

I find it very very easy to be true  
I find myself alone when each day is through  
Yes I'll admit I'm a fool for you  
Because you're mine I walk the line

As sure as night is dark and day is light  
I keep you on my mind both day and night  
And happiness I've known proves that it's right  
Because you're mine I walk the line

You've got a way to keep me on your side  
You give me cause for love that I can't hide  
For you I know I'd even try to turn the tide  
Because you're mine I walk the line

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine I walk the line

### **I Will**

---

Who knows how long I've loved you,  
you know I love you still  
will I wait a lonely lifetime, if you want me to I will  
For if I ever saw you, I didn't catch your name  
but it never really mattered,  
I will always feel the same

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart...

And when at last I find you, your song will fill the air  
sing it loud so I can hear you,

make it easy to be near you  
for the things you do endear you to me

Aah you know I will.  
I will.

### **I Will Survive**

---

First I was afraid, I was petrified  
Kept thinking I could never live  
without you by my side  
But I spent so many nights  
thinking how you did me wrong  
I grew strong, I learned how to get along

and so you're back from outer space  
I just walked in to find you here  
with that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I had known for just one second  
you'd be back to bother me

Go on now go walk out the door  
just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried to  
hurt me with goodbye  
you think I'd crumble you think I'd lay down and die

Oh no, not I, I will survive  
as long as I know how to love I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
and I'll survive, I will survive

[Instrumental]

Oh dear Lord, give me strength, not to fall apart  
Though I tried hard to mend  
the pieces of my broken heart  
and I spent oh so many nights  
just feeling sorry for myself  
I used to cry, But now I hold my head up high

and you see \*me\* somebody new  
I'm not that chained up little person  
still in love with you  
and so you felt like dropping in  
and just expect me to be free  
now I'm saving all my loving  
or someone who's loving me

Go on now \*go\* walk out the door  
just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried  
to crush me with goodbye  
Did you think I'd crumble?  
Did you think I'd lay down and die

Oh no, not I, I will survive  
and as long as I know how to love I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
and I'll survive, I will survive

Oh...

Go on now go walk out the door  
just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried  
to crush me with goodbye  
Did you think I'd crumble?  
Did you think I'd lay down and die

## **I Wish**

---

Looking back on when I  
was a little nappy headed boy  
Then my only worry, was for Christmas;  
what would be my toy.

Even though we sometimes would not get a thing;  
We were happy with the joy the day would bring.

Sneaking out the back door,  
To hang out with those hoodlum friends of mine.

Greeted at the back door,  
With; "boy, I thought I told you not to go out-side?"

Tryin' your best to bring the water to you eyes.  
Thinkin' it might stop her, from whoopin' your be-hind.

I wish those days, could, come back once more,  
Why did those days, e-ver have to go?  
I wish those days, could, come back once more,  
Why did those days, e-ver have to go?  
'Cos I love them so.

"Do do do do, do do do do, do do do do" x 2

Brother says he's tellin',  
'Bout you playing doctor with that girl.  
Just don't tell; I'll give you,  
Anything you want in this whole wide world.

Mama gives you money, for Sunday school,  
You trade yours for candy, after church is through.  
Smokin' cigarettes and,  
Writing something nasty on the wall,  
(you nasty boy!)  
Teacher sends you to the  
principal's office down the hall.

You grow up and learn that, kinda thing ain't right.  
But while you were doin' it; it sure felt outta sight.

I wish those days, could, come back once more,  
Why did those days, e-ver have to go?  
I wish those days, could, come back once more,  
Why did those days, e-ver have to go?  
'Cos I love them so.

## **Jimmy Jazz**

---

The police walked in for Jimmy Jazz  
I said, he ain't here, but he sure went past  
Oh, you're looking for Jimmy Jazz

Sattamassagana for Jimmy Dread

Cut off his ears and chop off his head  
Police cam looking for Jimmy Jazz

So if you're gonna take a message 'cross the town  
Maybe put it down somewhere over the other side  
See it gets to Jimmy Jazz

Don't you bother me, not anymore  
I can't take this tale, oh, no more  
It's all around, Jimmy Jazz

J-a-zee zee J-a-zed zed  
J-a-zed zed Jimmy Jazz

And then it sucks, he said, suck that  
So go look all around, you can try your luck, brother  
And see what you found  
But I guarantee you it ain't your day your day,  
It ain't your day. Chop Chop!

## **Just Can't Get Enough**

---

When I'm with you baby, I go out of my head,  
and I just can't get enough,  
and I just can't get enough.  
All the things you do to me, and everything you said,  
and I just can't get enough, I just can't get enough.  
We slip and slide as we fall in love,  
And I just can't seem to get enough of

We walk together, walking down the street,  
and I just can't get enough,  
and I just can't get enough.  
Every time I think of you, I know we have to meet,  
and I just can't get enough,  
and I just can't get enough.  
It's getting harder, it's a burning love,  
And I just can't seem to get enough of

Solo

I just can't get enough, I just can't get enough,  
I just can't get enough, I just can't get enough,

I just can't get enough, I just can't get enough,  
I just can't get enough, I just can't get enough,

And when it rains, you're shining down for me,  
and I just can't get enough, I just can't get enough,  
Just like a rainbow, you know you set me free,  
and I just can't get enough, I just can't get enough,

You're like an angel and you give me your love,  
And I just can't seem to get enough of

Solo

I just can't get enough, I just can't get enough,  
I just can't get enough, I just can't get enough... etc

### **Just The Way You Are**

---

Don't go changing to try and please me  
You never let me down before, Mm-m-m-m-m  
Don't imagine you're too familiar, and I don't see you  
anymore

I would not leave you in times of trouble  
We never could have come this far, Mm-m-m-m-m  
I took the good times, I'll take the bad times  
I'll take you just the way you are

Don't go trying some new fashion  
Don't change the colour of your hair. Mm-m-m-m-m  
You always have my unspoken passion,  
although I might not seem to care

I don't want clever conversation  
I never want to work that hard. Mm-m-m-m-m  
I just want someone that I can talk to.  
I want you just the way you are

I need to know that you will always be,  
the same old someone that I knew  
Oh what will it take 'till you believe in me,  
the way that I believe in you

I said I love you, and that's forever  
and this I promise from the heart. Mm-m-m-m-m  
I couldn't love you any better.  
I love you just the way you are

I don't want clever conversation  
I never want to work that hard. Mm-m-m-m-m  
I just want someone that I can talk to  
I want you just the way you a - - re

### **King Herod's Song (Jesus Christ Superstar)**

---

Jesus I am overjoyed to meet you face to face  
You've been getting quite a name  
all around the place.

Healing cripples, and raising from the dead  
And now I understand you're God  
at least that's what you've said...

So you are the Christ you're the great Jesus Christ  
Prove to me that you've divine  
change my water into wine.  
That's all you need do and I'll know it's all true,  
Come on, King of the Jews!

Jesus you just won't believe  
the hit you've made round here  
You are all we talk about the wonder of the year  
Oh what a pity, if it's all a lie  
Still I'm sure that you can rock the cynics if you try

So you are the Christ you're the great Jesus Christ  
Prove to me that you're no fool:  
Walk across my swimming pool  
If you do that for me I'll let you go free.  
Come on, King of the Jews!

I only ask things I'd ask any superstar  
What is it that you have got  
that puts you where you are?  
I'm waiting yes I'm a captive fan

I'm dying to be shown that you are not just any man

So if you are the Christ yes the great Jesus Christ  
Feed my household with this bread,  
You can do it on your head!  
Or has something gone wrong?  
Why do you take so long?  
Come on, King of the Jews!

Hey! Aren't you scared of me, Christ?  
Mr. Wonderful Christ!  
You're a joke, you're not the lord!  
You are nothing but a fraud  
Take him away, he's got nothing to say

Get out you, King of the...  
Get out you, King of the  
Oh Get out you, King of the Jews!  
Get out of my life.

### **Knowing Me, Knowing You (ABBA)**

---

No more care free laughter  
Si-lence ev-er af-ter

Walking through an empty house, tears in my eyes  
This is where the story ends, this is goodbye

Knowing me knowing you, there is nothing we can do  
Knowing me knowing you

We just have to face it this time we're through  
Breaking up is never easy I know, but I have to go  
Knowing me knowing you, it's the best I can do  
Memories, good days, bad days  
They'll be with me always  
In these old familiar rooms, children would play  
Now there's only emptiness, nothing to say

Knowing me knowing you, there is nothing we can do  
Knowing me knowing you

We just have to face it this time we're through

Breaking up is never easy I know, but I have to go  
Knowing me knowing you, it's the best I can do

### Layla (Acoustic Version)

---

What'll you do when you get lonely,  
and nobody's waiting by your side?  
You've been running and hiding much too long.  
You know it's just your foolish pride.

Layla — you've got me on my knees.  
Layla — I'm begging, darling please  
Layla — darling won't you ease my worried mind.

I tried to give you consolation,  
when your old man had let you down.  
Like a fool, I fell in love with you,  
turned my whole world upside down.

Layla — you've got me on my knees.  
Layla — I'm begging, darling please  
Layla — darling won't you ease my worried mind.

Let's make the best of the situation,  
before I finally go insane.  
Please don't say we'll never find a way,  
and tell me all my love's in vain.

Layla — you've got me on my knees.  
Layla — I'm begging, darling please  
Layla — darling won't you ease my worried mind.

### Lean On Me (Bill Withers)

---

Sometimes in our lives,  
We all have pain, we all have sor-row.  
But, if we are wise,  
We know that there's, al-ways to-mor-row.

Lean on me, when you're not strong,  
And I'll be your friend; I'll help you carry on.  
For it won't be long, 'till I'm gon-na need,  
Some-body to lean on.

Please, swallow your pride,  
If I have things, you need to bor-row.  
For, no one can fill, those of your needs,  
That you don't let show.

So, just call on me brother, when you need a hand;  
We all need somebody, to lean on.  
I just might have a problem, that you'd understand;  
We all need somebody, to lean on.

Lean on me, when you're not strong,  
And I'll be your friend; I'll help you carry on.  
For it won't be long, 'till I'm gon-na need,  
Somebody to lean on.

So, just call on me brother, when you need a hand;  
We all need somebody, to lean on.

I just might have a problem, that you'd understand;  
We all need somebody, to lean on.  
If, there is a load, you have to bear,  
That you can't carry.  
I'm right up the road; I'll share your load,  
If you just call me.

(Call me), if you need a friend,  
(Call me), call me,  
(Call me), if you need a friend,  
(Call me), call me.  
(Call me), call me. . . etc

### Let It Be

---

When I find myself in times of trouble,  
Mother Mary comes to me  
Speaking words of wisdom, let it be

And in my hour of darkness,  
She is standing right in front of me  
Speaking words of wisdom, Let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
And when the broken hearted people,

Living in the world agree  
There will be an answer, let it be

But though they may be parted,  
There is still a chance that they will see  
There will be an answer, let it be

Let it be, let it be, let it be, let it be  
There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be → [Solo]

Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
And when the night is cloudy,  
there is still a light that shines on me  
Shine on till tomorrow, let it be

I wake up to the sound of music,  
Mother Mary comes to me  
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be  
There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be

### The Letter (Joe Cocker)

---

Give me a ticket for an aeroplane,  
I ain't got time to take no fast train.  
Oh, the lonely days are gone;  
I'm coming home;  
My baby, she wrote me a letter.

I don't care how much I got to spend,  
I won't find my way, my way back home again.  
Oh, the lonely days are gone;  
I'm coming home;  
My baby, she wrote me a letter.

Well, she wrote me a letter,  
Said; she couldn't live,

with-out me no more.

Listen to me Mister;  
Can't you see I've got to get back,  
To my baby once more... anyway?

I don't care how much I got to spend,  
I won't find my way, my way back home again.  
Oh, the lonely days are gone;  
I'm coming home;  
My baby, she wrote me a letter.

Solo

Well, she wrote me a letter,  
Said; she couldn't live,  
with-out me no more.

Listen to me Mister;  
Can't you see I've got to get back,  
To my baby once more... anyway?

Give me a ticket for an aeroplane,  
I ain't got time to take no fast train.  
Oh, the lonely days are gone;  
I'm coming home;  
My baby, she wrote me a letter.

ll: My baby wrote me a letter,  
my baby wrote me a letter. :ll

### **Life On Mars (David Bowie)**

---

It's a God awful small affair,  
to the girl with the mousy hair  
But her mummy is yelling no,  
and her daddy has told her to go

But her friend is nowhere to be seen,  
now she walks through her sunken dream  
To the seat with the clearest view,  
And she's hooked to the silver screen

But the film is a saddening bore,  
for she's lived it ten times or more  
She could spit in the eyes of fools,  
as they ask her to focus on

Sailors fighting in the dance hall,  
Oh man look at those cavemen go  
It's the freakiest show.

Take a look at the lawman beating up the wrong guy  
Oh man wonder if he'll ever know,  
He's in the best selling show  
Is there life on Mars?

It's on Americas tortured brow,  
that Mickey Mouse has grown up a cow  
Now the workers have struck for fame,  
'Cause Lennon's on sale again  
See the mice in their million hoards.  
From Ibiza to the Norfolk Broads

Rule Britannia is out of bounds,  
To my mother my dog and clowns  
But the film is a saddening bore,  
Cause I wrote it ten times or more  
It's about to be writ again,  
As they ask her to focus on

Sailors fighting in the dance hall,  
Oh man look at those cavemen go  
It's the freakiest show.  
Take a look at the lawman beating up the wrong guy  
Oh man wonder if he'll ever know,  
He's in the best selling show – Is there life on Mars?

### **Livin' On A Prayer**

---

Tommy used to work on the docks,  
union's been on strike  
He's down on his luck, it's tough, so tough

Gina works the diner all day working for her man  
She brings home her pay, for love, for love

She says, we've got to hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot

Woah, we're half way there,  
woah, livin' on a prayer  
Take my hand, we'll make it I swear,  
woah, livin' on a prayer

Tommy's got his six-string in hock  
Now he's holding in what he used to make it talk  
So tough, it's tough  
Gina dreams of running away  
When she cries in the night, Tommy whispers  
Baby, it's okay, someday

We've got to hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot

Woah, we're half way there, woah, livin' on a prayer  
Take my hand, we'll make it I swear, woah, livin' on a  
prayer Livin' on a prayer

Oh, we've got to hold on, ready or not  
You live for the fight when it's all that you've got  
Woah, we're half way there, woah, livin' on a prayer  
Take my hand, we'll make it I swear,  
woah, livin' on a prayer

### **The Logical Song (Supertramp)**

---

When I was young, it seemed that  
life was so wonderful,  
A miracle, oh, it was beautiful, magical,

And all the birds in the trees,  
Well, they'd be singing so happily,  
Oh, joyfully, oh, playfully, watching me!

But then they sent me away,

to teach me how to be sensible,  
Logical, oh, responsible, practical,

And then they showed me a world  
where I could be so dependable,  
Oh, clinical, oh, intellectual, cynical!

There are times when all the world's asleep  
The questions run too deep for such a simple man—  
Won't you please, please, tell me what we've  
learned,  
I know it sounds absurd,  
Please, tell me who I am-----!

I said now, watch what you say,  
they'll be calling you a radical,  
A liberal, oh, fanatical, criminal,

Oh, won't you sign up your name?  
We'd like to feel you're acceptable  
Respectable, oh, presentable, a vegetable,  
Oh, take it, take it...

[Sax solo]

But at night, when all the world's asleep,  
The questions run so deep for such a simple man—

Won't you please, please, tell me what we've learnt,  
I know it sounds absurd, Please, tell me who I am,  
Who I am, who I am, who I am! Yeah!  
[endless sax & keys solo]

## **London Calling**

---

London calling to the faraway towns  
Now war is declared, and battle come down  
London calling to the underworld  
Come out of the cupboard, you boys and girls  
London calling, now don't look to us  
Phoney Beatlemania has bitten the dust  
London calling, see we ain't got no swing  
'Cept for the ring of that truncheon thing

The ice age is coming, the sun's zooming in  
Meltdown expected, the wheat is growing thin  
Engines stop running, but I have no fear  
'Cause London is drowning, and I ~ live by the river

London calling to the imitation zone  
Forget it, brother, you can go it alone  
London calling to the zombies of death  
Quit holding out, and draw another breath

London calling, and I don't wanna shout  
But while we were talking, I saw you nodding out  
London calling, see we ain't got no high  
Except for that one with the yellowy eyes  
The ice age is coming...

London calling, yes, I was there, too  
An' you know what they said?  
Well, some of it was true!  
London calling at the top of the dial  
After all this, won't you give me a smile?  
London calling

I never felt so much alive-alive-alive-alive...

## **The Long Way Around (Dixie Chicks)**

---

My friends from high school  
Married their high school boyfriends  
Moved into houses  
In the same ZIP codes where their parents live

But I, I could never follow.  
No I, I could never follow.

I hit the highway In a pink RV with stars on the ceiling  
Lived like a gypsy  
Six strong hands on the steering wheel  
I've been a long time gone now  
Maybe someday, someday I'm gonna settle down  
But I've always found my way somehow  
By taking the long way, taking the long way, around  
Taking the long way, taking the long way around

I met the queen of whatever  
Drank with the Irish and smoked with the hippies  
Moved with the shakers  
Wouldn't kiss all the asses that they told me to

No I, I could never follow.  
No I, I could never follow

It's been two long years now  
Since the top of the world came crashing down  
And I'm gettin' it back on the road now  
But I'm taking the long way,  
taking the long way around

I'm taking the long way,  
I'm taking the long way around  
Oo-oh, I just take my time I won't lay down  
And take the long way 'round.

Solo

Well, I fought with a stranger and I met myself  
I opened my mouth and I hurt myself  
It can get pretty lonely when you show yourself  
Guess I could have made it easier on myself

But I, I could never follow.  
No I, I could never follow

Well, I never seem to do it like anybody else  
Maybe someday, someday I'm gonna settle down  
If you ever want to find me I can still be found

But I'm taking the long way,  
taking the long way around  
I'm taking the long way,  
I'm taking the long way around

## **Lover, Taylor Swift**

---

We could leave the Christmas lights up 'til January  
This is our place, we make the rules  
And there's a dazzling haze,

a mysterious way about you dear  
Have I known you 20 seconds or 20 years?

Can I go where you go?  
Can we always be this close forever and ever?  
And ah, take me out, and take me home  
You're my, my, my, my, lover

We could let our friends crash in the living room  
This is our place, we make the call  
And I'm highly suspicious that everyone who sees  
you wants you  
I've loved you three summers now,  
honey, but I want 'em all

Can I go where you go?  
Can we always be this close forever and ever?  
And ah, take me out, and take me home  
You're my, my, my, my, lover

Ladies and gentlemen, will you please stand?  
With every guitar string scar on my hand  
I take this magnetic force of a man to be my lover

My heart's been borrowed and yours has been blue  
All's well that ends well to end up with you  
Swear to be overdramatic and true to my lover

And you'll save all your dirtiest jokes for me  
And at every table, I'll save you a seat, lover

Can I go where you go?  
Can we always be this close forever and ever?  
And ah, take me out, and take me home  
You're my, my, my, my,  
Oh, you're my, my, my, my  
Darling, you're my, my, my, my lover (end)

### **Lucy In The Sky With Diamonds**

Picture yourself in a boat on a river  
with tangerine trees and marmalade skies  
Somebody calls you, you answer quite slowly,

a girl with kaleidoscope eyes.

Cellophane flowers of yellow and green,  
towering over your head.  
Look for the girl with the sun in her eyes,  
and she's gone [...2-3-4]

Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaah...

Follow her down to a bridge by a fountain  
where rocking horse people eat marshmallow pies.  
Everyone smiles as you drift past the flowers  
that grow so incredibly high.

Newspaper taxis appear on the shore,  
waiting to take you away.  
Climb in the back with your head in the clouds,  
and you're gone. [...2-3-4]

Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaah...

Picture yourself on a train in a station  
With plasticine porters with looking glass ties  
Suddenly someone is there at the turn-style  
The girl with kaleidoscope eyes [...2-3-4]  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaah... [Repeat to fade]

### **Mamma Mia (ABBA)**

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how but I suddenly lose control  
There's a fire within my soul

Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again,  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Yes, I've been brokenhearted,  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

I've been angry and sad about the things that you do  
I can't count all the times  
that I've told you were through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong.

Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh  
Mamma mia, here I go again,  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Yes, I've been brokenhearted,  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

Mamma mia, even if I say  
Bye bye, leave me now or never  
Mamma mia, it's a game we play,  
Bye bye doesn't mean forever

Mamma mia, here I go again,  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Yes, I've been brokenhearted,  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

### **Martha My Dear**

---

Martha my dear though I spend my days  
in conversation, Please remember me  
Martha, my love don't forget me, Martha, my dear

Hold your head up, you silly girl,  
look what you've done  
When you find yourself in the thick of it,  
Help yourself to a bit of what is all around you,  
Silly girl

Take a good look around you  
Take a good look and you're bound to see,  
that you and me  
Were meant to be with each other, you silly girl

Hold your head up, you silly girl,  
see what you've done  
When you find yourself in the thick of it,  
Help yourself to a bit of what is all around you,  
silly girl

Martha, my dear, you have always  
been my inspiration, Please, be good to me,  
Martha, my love don't forget me, Martha, my dear

### **Maxwell's Silver Hammer**

---

Joan was quizzical; studied pataphysical  
science in the home.  
Late nights all alone with a test tube. Oh, oh, oh, oh.

Maxwell Edison, majoring in medicine,  
calls her on the phone.  
"Can I take you out to the pictures, Jo-oo-oo-an?"  
But as she's getting ready to go,

a knock comes on the door.

Bang! Bang! Maxwell's silver hammer  
Came down upon her head.  
Clang! Clang! Maxwell's silver hammer,  
Made sure that she was dead.

Back in school again Maxwell plays the fool again.  
Teacher gets annoyed.  
Wishing to avoid an unpleasant sce-e-e-ene,

She tells Max to stay when the class has gone away,  
so he waits behind  
Writing fifty times "I must not be so, o, o, o."  
But when she turns her back on the boy,  
he creeps up from behind.

Bang! Bang! Maxwell's silver hammer  
Came down upon her head.  
Clang! Clang! Maxwell's silver hammer,  
Made sure that she was dead → Instrumental  
P. C. Thirty-one said, "We caught a dirty one."  
Maxwell stands alone  
Painting testimonial pictures. Oh, oh, oh, oh.

Rose and Valerie, screaming from the gallery,  
say he must go free  
The judge does not agree and he tells them so-o-o-o.

But as the words are leaving his lips,  
a noise comes from behind.

Bang! Bang! Maxwell's silver hammer  
Came down upon her head.  
Clang! Clang! Maxwell's silver hammer,  
Made sure that she was dead.  
Sil-ver ham-mer man!

### **Misty**

---

Look at me, I'm as helpless as a kitten up a tree;  
And I feel like I'm clingin' to a cloud,  
I can't understand I get misty, just holding your hand.

Walk my way, and a thousand violins begin to play,  
Or it might be the sound of your hello,  
That music I hear, I get misty, the moment you're near.

Can't you see that you're leading me on?  
And it's just what I want you to do,  
Don't you notice how hopelessly I'm lost  
That's why I'm following you.

On my own as I wander through  
this wonderland alone,  
Never knowing my right foot from my left  
My hat from my glove,  
I'm too misty, and too much in love.  
Too misty, and too much in love....

### **Me & Bobby McGee (Janis Joplin)**

---

Busted flat in Baton Rouge, waiting for a train  
And I's feeling nearly as faded as my jeans.  
Bobby thumbed a diesel down just before it rained,  
It rode us all the way to New Orleans.

I pulled my harpoon out of my dirty red bandanna,  
I was playing soft while Bobby sang the blues.  
Windshield wipers slapping time,  
I was holding Bobby's hand in mine,  
We sang every song that driver knew.

Freedom is just another word for nothing left to lose,  
Nothing don't mean nothing honey  
if it ain't free, now now.  
And feeling good was easy,  
Lord, when he sang the blues,  
You know feeling good was good enough for me,  
Good enough for me and my Bobby McGee.

From the Kentucky coal mines to the California sun,  
Hey, Bobby shared the secrets of my soul.  
Through all kinds of weather,  
through everything that we done,  
Hey Bobby baby kept me from the cold.

One day up near Salinas, Lord, I let him slip away,  
He's looking for that home and I hope he finds it,  
But I'd trade all of my tomorrows  
for one single yesterday  
To be holding Bobby's body next to mine.

Freedom is just another word for nothing left to lose,  
Nothing, that's all that Bobby left me, yeah,  
But feeling good was easy,  
Lord, when he sang the blues,  
Hey, feeling good was good enough for me, hm hm  
Good enough for me and my Bobby McGee.

La la la, la la la la, la la la, la la la la  
La la la la la Bobby McGee.  
La la la la la, la la la la la  
La la la la la, Bobby McGee, la.  
La La la, la la la la la la,  
La La la la la la la la,  
hey now Bobby now Bobby McGee yeah.  
Na na na na na na na na,  
na na na na na na na na na na  
Hey now Bobby now, Bobby McGee, yeah.

Lord, I'm calling my lover, calling my man,  
I said I'm calling my lover just the best I can,  
C'mon, where is Bobby now,  
where is Bobby McGee, yeah,  
Lordy Lordy Lordy Lordy Lordy Lordy Lordy Lord  
Hey, hey, hey, Bobby McGee, Lord!  
Yeah! Whew! [Solos]

Lordy Lordy Lordy Lordy Lordy Lordy Lordy Lord  
Hey, hey, hey, Bobby McGee.

### **Money, Money, Money (ABBA)**

---

I work all night, I work all day,  
to pay the bills I have to pay — Ain't it sad.  
And still there never seems to be  
a single penny left for me — That's too bad

In my dreams I have a plan:

if I got me a wealthy (wo)man  
I wouldn't have to work at all,  
I'd fool around and have a ball

Money, money, money,  
Must be funny, in a rich man's world  
Money, money, money,  
Always sunny, in a rich man's world  
Ahaaa -ahaaa. All the things I could do  
If I had a little money It's a rich man's world

A (wo)man like that is hard to find  
but I can't get him(her) off my mind — Ain't it sad.  
And if (s)he happens to be free  
I bet (s)he wouldn't fancy me — That's too bad

So I must leave, I'll have to go,  
to Las Vegas or Monaco  
And win a fortune in a game,  
my life will never be the same  
Money, money, money,  
Must be funny, in a rich man's world

Money, money, money,  
Always sunny, in a rich man's world  
Ahaaa -ahaaa. All the things I could do  
If I had a little money It's a rich man's world. (+1!)

Money, money, money,  
Must be funny, in a rich man's world  
Money, money, money,  
Always sunny, in a rich man's world

### **Moon Over Bourbon Street (Sting)**

---

There's a moon over Bourbon Street tonight  
I see faces as they pass beneath the pale lamp light  
I've no choice but to follow that call  
the bright lights, the people, and the moon and all

I pray every day to be strong  
For I know what I do must be wrong  
Oh you'll never see my shade

or hear the sound of my feet  
while there's a moon over Bourbon Street

It was many years ago that I became what I am  
I was trapped in this life like an innocent lamb  
now I never show my face at noon  
and you'll only see me walking by the light of the  
moon

The brim of my hat hides the eye of a beast  
I've the face of a sinner but the hands of a priest  
Oh you'll never see my shade  
or hear the sound of my feet  
while there's a moon over Bourbon Street

She walks every day,  
through the streets of New Orleans  
She's innocent and young, from a family of means  
I've stood many times outside her window at night  
To struggle with my instinct in the pale moon light  
How could I be this way, when I pray to god above  
I must love what I destroy, and destroy the thing I love  
Oh you'll never see my shade  
or hear the sound of my feet  
while there's a moon over Bourbon Street

### **The Muppets (Theme Song)**

---

It's time to play the music  
It's time to light the lights  
It's time to meet the muppets  
on the muppet show tonight

It's time to put on make up  
It's time to dress up right  
It's time to raise the curtain  
on the Muppet show tonight

Why do we always come here,  
I guess we'll never know  
It's like a kind of torture,  
To have to watch the show

It's time to play the music  
It's time to light the lights  
It's time to get things started  
"Why don't you get it started"

It's time to get things started on the  
most sensational, inspirational,  
celebrational, Muppetational  
This is what we call the Muppets show!

## **My Way**

---

And now the end is near,  
and so I face the final curtain.  
My friends, I'll say it clear,  
I'll state my case of which I'm certain.

I've lived a life that's full,  
I've travelled each and every highway,  
And more, much more than this,  
I did it my way.

Regrets, I've had a few,  
But then again, too few to mention.  
I did what I had to do  
And saw it through without exception.

I planned each charted course,  
Each careful step along the byway,  
And more, much more than this,  
I did it my way.

Yes there were times, I'm sure you knew,  
When I bit off more than I could chew,  
But through it all when there was doubt  
I ate it up and spit it out.  
I faced it all, and I stood tall and did it my way.

I've loved, I've laughed and cried,  
I've had my fails, my share of losing,  
And now as tears subside  
I find it all so confusing

To think I did all that  
And, may I say, not in a shy way,  
Oh, no, oh no, not me: I did it my way.

For what is a man, what has he got?  
If not himself, then he has not  
To say the things he truly feels,  
And not the words of one who kneels.  
The record shows I took the blows,  
And did it my way.

## **New York, New York**

---

Start spreading the news, I'm leaving today  
I want to be a part of it, New York New York  
These vagabond shoes, are longing to stray  
right through the very heart of it, New York New York

I want to wake up in a city that doesn't sleep  
And find I'm king of the hill, top of the heap  
These little town blues are melting away  
I'll make a brand new start of it, in old New York

If I can make it there I'll make it anywhere  
It's up to you, New York, New York  
Solo -> New York, New York!

I want to wake up in a city that never sleeps  
And find I'm A Number One,  
Top of the List, King of the hill, A Number One,

These little town blues are melting away  
I'll make a brand new start of it, in old New York  
If I can make it there I'm gonna make it anywhere  
It's up to you, New York, New York.  
New York!

## **Norwegian Wood**

---

I once had a girl, or should I say, she once had me  
She showed me her room, isn't it good,  
Norwegian wood

She asked me to stay and she told me to sit any-  
where  
So I looked around and I noticed there wasn't a chair

I sat on a rug, biding my time, drinking her wine  
We talked until two, and then she said,  
it's time for bed

She told me she worked in the morning  
and started to laugh  
I told her I didn't and crawled off to sleep in the bath

And when I awoke, I was alone, this bird had flown  
So, I lit a fire, isn't it good, Norwegian wood

## **Ob-La-Di Ob-La-Da**

---

Desmond has a barrow in the market place,  
Molly is the singer in a band  
Desmond says to Molly "Girl, I like your face"  
And Molly says this as she takes him by the hand

Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on  
Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on.

Desmond takes a trolley to the jeweler store  
Buys a twenty carat golden ring (ring!)  
Takes it back to Molly waiting at the door  
And as he gives it to her she begins to sing (sing!)

Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on  
Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on.

In a couple of years,  
they have built a home sweet home  
With a couple of kids running in the yard,  
of Desmond and Molly Jones. (Ha ha ha...)

Happy ever after in the market place.

Desmond lets the children lend a hand.  
Molly stays at home and does her pretty face.  
And in the evening she still sings it with the band.

Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on  
Ob-la-di, ob-la-da, life goes on, brah!  
Lala how the life goes on.

In a couple of years,  
they have built a home sweet home,  
With a couple of kids running in the yard,  
of Desmond and Molly Jones.

Happy ever after in the market place.  
Molly lets the children lend a hand.  
Desmond stays at home and does his pretty face,  
and in the evening she's a singer with the band  
And if you want some fun, take Ob-La-Di-Bla-Da  
Thank you...

### **Ophelia (The Band)**

---

Boards on the window, mail by the door,  
What would anybody leave so quickly for?  
Ophelia, where have you gone?

The old neighborhood, just ain't the same  
Nobody knows just what became of..  
Ophelia, tell me, what went wrong?

Was it something that somebody said?  
Mama, I know we broke the rules.  
Was somebody up against the law?  
Honey, you know I'd die for you.

Ashes of laughter, the ghost is clear,  
Why do the best things always disappear, like  
Ophelia? Please darken my door.

[solo]

Was it something that somebody said?

Honey, I know we broke the rules.  
Was somebody up against the law?  
Honey, you know I'd die for you.

They got your number, scared & running,  
But I'm still waiting for the second coming of  
Ophelia, come back home.

### **Ophelia (Lumineers)**

---

Ah, ah, when I was young  
I, I should've known better  
And I-I-I can't feel no remorse  
And you don't feel nothing back

I, I got a new girlfriend, she  
Feels like she's on top  
And I-I-I don't feel no remorse  
And yo-ou-ou can't see past my blindness

Oh, Ophel-ia. You've been on my mind, girl,  
since the flood  
Oh, Ophel-ia. Heaven help the fool  
who falls in love

I, I got a little paycheck  
You got big plans and you gotta move (whooh!)  
And I-I-I don't feel nothing at all  
And yo-ou-ou can't feel nothing small

Honey, I love you. That's all she wrote

Oh, Ophel-ia. You've been on my mind, girl,  
like a drug  
Oh, Ophel-ia. Heaven help the fool  
who falls in love

Oh, Ophel-ia. You've been on my mind, girl,  
since the flood  
Oh, Ophel-ia. Heaven help the fool who falls in love  
Oh, Ophel-ia. You've been on my mind, girl,  
like a drug  
Oh, Ophel-ia. Heaven help the fool who falls in love

### **Perfect (Ed Sheeran)**

---

I found a love for me  
Darling just dive right in, and follow my lead  
Well I found a girl beautiful and sweet  
I never knew you were the someone waiting for me

Cause we were just kids when we fell in love  
Not knowing what it was,  
I will not give you up this time  
But darling just kiss me slow, your heart is all I own  
And in your eyes you're holding mine

Baby, I'm dancing in the dark,  
with you between my arms  
Barefoot on the grass, listening to our favorite song  
When you said you looked a mess,  
I whispered underneath my breath  
But you heard it, darling you look perfect tonight

Well I found a woman, stronger than anyone I know  
She shares my dreams,  
I hope that someday I'll share her home  
I found a love, to carry more than just my secrets  
To carry love, to carry children of our own

We are still kids, but we're so in love,  
fighting against all odds  
I know that we'll be alright this time  
Darling just hold my hand, be my girl, I'll be your man  
I see my future in your eyes

Baby, I'm dancing in the dark,  
with you between my arms  
Barefoot on the grass, listening to our favorite song  
When you said you looked a mess,  
I whispered underneath my breath  
But you heard it,  
darling you look perfect tonight

I don't deserve it,  
darling you look perfect tonight

## Piano Man (Billy Joel)

---

It's nine o'clock on a Saturday  
The regular crowd shuffles in  
There's an old man sitting next to me  
making love to his tonic and gin

He says son can you play me a memory  
I'm not really sure how it goes  
But it's sad and it's sweet and I knew it complete  
when I wore a younger mans clothes

Da da da...

Sing us a song you're the piano man,  
sing us a song tonight  
We're all in the mood for a melody,  
and you've got us feeling all right

Now John at the bar is a friend of mine  
He gets me my drinks for free  
And he's quick with a joke or to light up your smoke  
But there's some place that he'd rather be

He says Bill I believe this is killing me as a  
smile ran away from his face  
Well I'm sure that I could be a movie star if I  
could get out of this place

Short chorus: Da da da... [Directly to:]

Now Paul is a real estate novelist  
who never had time for a wife  
And he's talking with Davy who's still in the Navy  
and probably will be for life

And the waitress is practising politics,  
as the businessmen slowly get stoned  
yes they're sharing a drink they call loneliness,  
but it's better than drinking alone  
[Piano solo over Da da da...]

Sing us a song you're the piano man,

sing us a song tonight  
We're all in the mood for a melody,  
and you've got us feeling all right.

It's a pretty good crowd for a Saturday  
And the manager gives me a smile  
Cause he knows that it's me  
they've been coming to see  
To forget about life for a while

And the piano sounds like a carnival  
and the microphone smells like a beer  
And they sit at the bar and put bread in my jar  
and say "man, what are you doing here...?"

Da da da...  
Sing us a song you're the piano man,  
sing us a song tonight  
We're all in the mood for a melody,  
and you've got us feeling all right.

## Purple Rain

---

I never meant to cause you any sorrow  
I never meant to cause you any pain  
I only wanted to one time to see you laughing  
I only wanted to see you  
Laughing in the purple rain

Purple rain, purple rain  
Purple rain, purple rain  
Purple rain, purple rain  
I only wanted to see you  
Bathing in the purple rain  
I never wanted to be your weekend lover  
I only wanted to be some kind of friend  
Baby, I could never steal you from another  
It's such a shame our friendship had to end

Purple rain, purple rain  
Purple rain, purple rain  
Purple rain, purple rain  
I only wanted to see you

Underneath the purple rain

Honey, I know, I know, I know times are changing  
It's time we all reach out  
For something new, that means you too

You say you want a leader  
But you can't seem to make up your mind  
I think you better close it  
And let me guide you to the purple rain

Purple rain, purple rain  
Purple rain, purple rain  
If you know what I'm singing about up here  
C'mon, raise your hand

Purple rain, purple rain  
I only want to see you  
Only want to see you – In the purple rain

## Rainbow (Kacey Musgrave)

---

When it rains it pours, but you didn't even notice  
It ain't raining anymore,  
it's hard to breathe when all you know is  
The struggle of staying above the rising water line

The sky is finally open, rain and wind stopped blowin'  
But you're stuck out in the same old storm again  
Hold tight to your umbrella,  
darling I'm just trying to tell ya  
That there's always been a rainbow  
hanging over your head

If you could see what I see,  
you'd be blinded by the colors  
Yellow, red and orange and green,  
and at least a million others

Tie up the bow, take off your coat,  
and take a look around

The sky is finally open, rain and wind stopped blowin'

But you're stuck out in the same old storm again  
Hold tight to your umbrella,  
darling I'm just trying to tell ya  
That there's always been a rainbow  
hanging over your head

So, tie up the bow, take off your coat,  
and take a look around  
Everything's alright now

'Cause the sky is finally open,  
rain and wind stopped blowing  
But you're stuck out in the same old storm again

Let go of your umbrella,  
darling I'm just trying to tell ya  
That there's always been a rainbow  
hanging over your head

There's always been a rainbow  
hanging over your head

### **Rainbow Connection**

---

Why are there so many songs about rainbows  
and what's on the other side?  
Rainbows are visions, but only illusions,  
and rainbows have nothing to hide.

So we've been told and some chose to believe it.  
I know they're wrong wait and see.  
Someday we'll find it, the rainbow connection.  
The lovers, the dreamers and me.

Who said that every wish would be heard and an-  
swered when wished on the morning star?  
Somebody thought of that. And someone believed it.  
Look what it's done so far.

What's so amazing that keeps us star gazing  
and what do we think we might see?  
Someday we'll find it, the rainbow connection.  
The lovers, the dreamers and me.

All of us under its spell  
We know that it's probably maaa—gic!

Have you been half asleep and  
have you heard voices?  
I've heard them calling my name.  
Is it the sweet sound that calls the young sailor?  
The voice might be one and the same.

I've heard it too many times to ignore it.  
It's something that I'm supposed to be.  
Someday we'll find it, the rainbow connection.  
The lovers, the dreamers and me

La da da dee da da doo — La la da da dee da doooo!

### **Ring Of Fire (Johnny Cash)**

---

Love is a burning thing  
And it makes a fiery ring  
Bound by wild desire  
I fell down into a ring of fire

I fell into a burning ring of fire  
Went down down down and the flames went higher  
It burns burns burns that ring of fire that ring of fire

I fell into a burning ring of fire  
Went down down down and the flames went higher  
It burns burns burns that ring of fire that ring of fire  
The taste of love is sweet  
When hearts like ours meet  
I fell for you like a child  
Ohhh but the fire went wild

I fell into a burning ring of fire  
Went down down down and the flames went higher  
It burns burns burns that ring of fire that ring of fire

I fell into a burning ring of fire  
Went down down down and the flames went higher  
It burns burns burns that ring of fire that ring of fire  
The Ring of fire

### **The River (Bruce Springsteen)**

---

I come from down in the valley  
Where mister, when you're young  
They bring you up to do like your daddy done

Me and Mary we met in high school,  
When she was just seventeen  
We'd drive out of this valley down  
to where the fields were green

We'd go down to the river, and into the river we'd  
dive  
Oh down to the river we'd ride

Then I got Mary pregnant,  
and man, that was all she wrote  
And for my 19th birthday  
I got a union card and a wedding coat

We went down to the courthouse,  
and the judge put it all to rest  
No wedding day smiles, no walk down the aisle.  
No flowers, no wedding dress

That night we went down to the river,  
And into the river we'd dive,  
oh down to the river we did ride

I got a job working construction  
for the Johnstown Company  
But lately there ain't been much work  
on account of the economy

Now all them things that seemed so important,  
well mister they vanished right into the air  
Now I just act like I don't remember,  
Mary acts like she don't care

But I remember us riding in my brother's car,  
her body tan and wet down at the reservoir  
At night on them banks I'd lie awake, and pull her  
close just to feel each breath she'd take

Now those memories come back to haunt me,  
they haunt me like a curse  
Is a dream a lie if it don't come true,  
or is it something worse

That sends me down to the river,  
though I know the river is dry  
That sends me down to the river tonight  
Down to the river my baby and I,  
Oh down to the river we ride  
Oooh—ooh...  
(Repeat to fade)

### **Rocket Man (Elton John)**

---

She packed my bags last night pre-flight,  
Zero hour, nine am.  
And I'm gonna be hi-igh as a kite by then,

I miss the earth so much, I miss my wife,  
It's lonely out in space,  
On such a time — less flight!

And, I think it's gonna be a long, long time,  
'Til touch-down brings me 'round again to find...  
I'm not the man they think I am at home,  
Oh, no, no, no, I'm a Rocket Man,  
Rocket Man, burning out his fuse up here alone!

And, I think it's gonna be a long, long time,  
'Til touch-down brings me 'round again to find...  
I'm not the man they think I am at home,  
Oh, no, no, no, I'm a Rocket Man,  
Rocket Man, burning out his fuse up here alone!

Mars ain't the kind of place to raise your kids,  
In fact, it's cold as hell,  
And, there's no one there to raise them if you did,  
And, all the science I don't understand,  
It's just my job five days a week,

A Rocket Man-----,  
a Rocket Man-----!

And, I think it's gonna be a long, long time,  
'Til touch-down brings me 'round again to find...  
I'm not the man they think I am at home,  
Oh, no, no, no, I'm a Rocket Man,  
Rocket Man, burning out his fuse up here alone!

And, I think it's gonna be a long, long time,  
'Til touch-down brings me 'round again to find...  
I'm not the man they think I am at home,  
Oh, no, no, no, I'm a Rocket Man,  
Rocket Man, burning out his fuse up here alone!

ll: And, I think it's gonna be a long, long time! :ll

### **Rock 'n' Roll Suicide (David Bowie)**

---

Time takes a cigarette, puts it in your mouth  
You pull on your finger, then another finger,  
then your cigarette  
The wall-to-wall is calling, it lingers, then you forget  
Oh, no, no, no. You're a rock 'n' roll suicide

You're too old to lose it, too young to choose it  
And the clock waits so patiently on your song  
You walk past the cafe but you don't eat  
when you've lived too long  
Oh, no, no, no. You're a rock 'n' roll suicide

Chev brakes are snarling as you  
stumble across the road  
But the day breaks instead so you hurry home  
Don't let the sun blast your shadow  
Don't let the milk-float ride your mind  
They're so natural - religiously unkind

Oh no, love, you're not alone  
You're watching yourself but you're too unfair  
You got your head all tangled up but if I can only  
make you care

Oh no love you're not alone  
No matter what or who you've been  
No matter when or where you've seen

All the knives seem to lacerate your brain  
I've had my share, I'll help you with the pain.

You're NOT alone  
ll: Just turn on with me...  
Gimme your hands...  
...wonderful! :ll

### **Rocky Raccoon**

---

Now somewhere in the black mountain hills of Dakota  
There lived a young boy named Rocky Raccoon  
And one day his woman ran off with another guy  
Hit young Rocky in the eye

Rocky didn't like that  
He said "I'm gonna get that boy"  
So one day he walked into town  
Booked himself a room in the local saloon

Rocky Raccoon checked into his room  
Only to find Gideon's bible  
Rocky had come equipped with a gun  
To shoot off the legs of his rival

His rival it seems had broken his dreams  
By stealing the girl of his fancy  
Her name was Magill and she called herself Lil  
But everyone knew her as Nancy

Now she and her man who called himself Dan  
Were in the next room at the hoe down  
Rocky burst in and grinning a grin  
He said "Danny boy this is a showdown"

But Daniel was hot- he drew first and shot  
And Rocky collapsed in the corner

[solo]

Now the doctor came in stinking of gin  
And proceeded to lie on the table  
He said "Rocky you met your match"

And Rocky said, "Doc it's only a scratch  
And I'll be better, I'll be better doc  
as soon as I am able"

Now Rocky Raccoon he fell back in his room  
Only to find Gideon's bible  
Gideon checked out and he left it no doubt  
To help with good Rocky's revival  
—> [Outro solo]

## **The Rose**

---

Some say love, it is a river,  
that drowns the tender reed  
Some say love, it is a razor,  
that leaves your soul to bleed

Some say love, it is a hunger,  
an endless aching need  
I say love, it is a flower  
and you its only seed

It's the heart afraid of breaking,  
that never learns to dance  
It's the dream afraid of waking,  
that never takes a chance

It's the one who won't be taken,  
who cannot seem to give  
And the soul afraid of dying,  
that never learns to live

When the night has been too lonely,  
and the road has been too long  
And you think that love is only,  
for the lucky and the strong

Just remember in the winter,  
far beneath the bitter snow  
Lies the seed that with the sun's love,  
in the spring becomes the rose

## **Saving All My Love For You**

---

A few stolen moments is all that we share  
You've got your family and they need you there.  
Though I try to resist being last on your list.  
But no other man's gonna do.  
So I'm saving all my love for you.

It's not very easy living alone.  
My friends try and tell me.  
Find a man of my own.

But each time I try I just break down and cry.  
Cuz I'd rather be home feeling blue.  
So I'm saving all my love for you.

You used to tell me we'd run away together.  
Love gives you the right to be free.  
You said, be patient, just wait a little longer.  
But that's just an old fantasy.

I've got to get ready.  
Just a few minutes more.  
Gonna get that old feeling.  
when you walk through that door.

Coz tonight is the night. for feeling alright.  
We'll be making love the whole night through.  
So I'm saving all my love.  
Yes I'm saving all my love.  
Yes I'm saving all my love for you.

No other woman is gonna love you more.  
Coz tonight is the night. That I'm feeling alright.  
We'll be making love the whole night through.  
So I'm saving all my love.  
Yeah I'm saving all my love.  
Darlin', yes, I'm saving all my love for you.

For you. For you.  
For you.

## **Sgt. Pepper's Lonely Heart's Club Band**

---

It was twenty years ago today,  
Sgt. Pepper taught the band to play  
They've been going in and out of style  
But they're guaranteed to raise a smile

So may I introduce to you,  
the act you've known for all these years  
Sergeant Pepper's Lonely Heart's Club Band

[Solo]

We're Sgt. Pepper's Lonely Heart's Club Band,  
we hope you will enjoy the show  
Sergeant Pepper's Lonely Heart's Club Band.  
Sit back and let the evening go

Sgt. Pepper's Lonely, Sgt. Pepper's Lonely,  
Sgt. Pepper's Lonely Heart's Club Band  
It's wonderful to be here, it's certainly a thrill  
You're such a lovely audience,  
we'd like to take you home with us  
We'd love to take you home

I don't really wanna stop the show,  
but I thought you might like to know  
That the singer's gonna sing a song,  
and he wants you all to sing along

So may I introduce to you,  
the one and only Billy Shears  
Sergeant Pepper's Lonely Heart's Club Band

Bil-ly Shears! [to With A Little Help From My Friends]

## **Shallow (Lady Gaga, Bradley Cooper)**

---

Tell me something girl...  
Are you happy in this modern world?  
Or do you need more?  
Is there something else you're searching for?

I'm fall-in'. In all the good times I find myself  
long-in' for change  
And in the bad times I fear myself

Tell me something boy...  
Aren't you tired tryin' to fill that void  
Or do you need more?  
Ain't it hard keeping it so hardcore

I'm fall-ing. In all the good times I find myself  
longin' for change  
And in the bad times I fear myself  
I'm off the deep end, watch as I dive in  
I'll never meet the ground  
Crash through the surface, where they can't hurt us

We're far from the shallow now  
In the sha-la-la-la-low  
In the sha-la-la-la-la-la-low  
In the sha-la-la-la-la-low  
We're far from the shallow now

[Instrumental] Woaaaaah.  
Woaaaaaaaaaaaaaaaaaaaaahhhhh

I'm off the deep end, watch as I dive in  
I'll never meet the ground  
Crash through the surface, where they can't hurt us  
We're far from the shallow now

In the sha-la-la-la-low  
In the sha-la-la-la-la-la-low  
In the sha-la-la-la-la-low  
We're far from the shallow now

### **She's Leaving Home**

---

Wednesday morning at five o'clock as the day begins  
Silently closing her bedroom door  
Leaving the note that she hoped would say more

She goes downstairs to the kitchen  
clutching her handkerchief

Quietly turning the backdoor key  
Stepping outside she is free

She (we gave her most of our lives)  
Is leaving (sacrificed most of our lives)  
Home (We gave her everything money could buy)

She's leaving home after living alone  
for so many years

Father snores as his wife gets into her dressing gown,  
Picks up the letter that's lying there.  
Standing alone at the top of the stairs,

She breaks down and cries to her husband  
Daddy our baby's gone.  
Why would she treat us so thoughtlessly?  
How could she do this to me?

She (we never thought of ourselves)  
Is leaving (never a thought for ourselves)  
Home (we struggled hard all our lives to get by)

She's leaving home after living alone for so many  
years

Friday morning at nine o'clock she is far away  
Waiting to keep the appointment she made  
Meeting a man from the motor trade

She (what did we do that was wrong?)  
Is having (we didn't know it was wrong)  
Fun (fun is the one thing that money can't buy)

Something inside that was always denied  
for so many years. She's leaving home. Bye, bye.

### **Smile (Charlie Chaplin)**

---

Smile, though your heart is aching  
Smile, even though it's breaking  
When there are clouds in the sky  
you'll get by

If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shining through  
For you

Light up your face with gladness  
Hide every trace of sadness  
Although a tear may be ever so near

That's the time you must keep on trying  
Smile what's the use of crying  
You'll find that life is still worthwhile  
If you'll just smile

### **Smooth Operator (Sade)**

---

Diamond life, lover boy.  
We move in space with minimum waste  
and maximum joy.

City lights and business nights.  
When you require streetcar desire for higher heights.

No place for beginners or sensitive hearts  
When sentiment is left to chance.  
No place to be ending but somewhere to start.  
No need to ask.

He's a smooth operator, smooth operator...

Coast to coast, LA to Chicago, western male.  
Across the north and south, to Key Largo  
Love for sale.  
Face to face each classic case.  
We shadow box and double cross,  
Yet need the chase.

Solo: guitar & sax

A license to love, insurance to hold.  
Melts all your memories and change into gold.  
His eyes are like angels but his heart is cold.  
No need to ask.

He's a smooth operator, smooth operator...

Coast to coast, LA to Chicago, western male.  
Across the north and south, to Key Largo  
Love for sale.

### **Someone You Loved, Lewis Capaldi**

---

I'm going under and this time  
I fear there's no one to save me  
This all or nothing really got a way of driving me crazy

I need somebody to heal, somebody to know,  
somebody to have, somebody to hold  
It's easy to say but it's never the same  
I guess I kinda liked the way you numbed all the pain

Now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

I'm going under and this time  
I fear there's no one to turn to  
This all or nothing way of loving got me  
sleeping without you. Now I need

...somebody to know, somebody to heal,  
somebody to have, just to know how it feels  
It's easy to say but it's never the same  
I guess I kinda liked the way you helped me escape

Now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

And I tend to close my eyes but it hurts sometimes,  
and I fall into your arms.  
I'll be safe in your sound 'til I come back around

Now the day bleeds into nightfall

And you're not here to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

Now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

### **Something**

---

Something in the way she moves,  
Attracts me like no other lover.  
Something in the way she woos me.  
I don't wanna leave her now,  
You know I believe, and how.

Somewhere in her smile she knows,  
That I don't need no other lover.  
Something in her style that shows me.  
I don't wanna leave her now,  
You know I believe and how.

You're asking me will my love grow,  
I don't know, I don't know.  
You stick around now, it may show,  
I don't know, I don't know.  
Something in the way she knows,  
And all I have to do is think of her.  
Something in the things she shows me.  
I don't wanna leave her now.  
You know I believe and how.

### **Sorry Seems To Be The Hardest Word**

---

What have I gotta do, to make you love me  
What have I got to do to make you care  
What do I do when lightning strikes me  
And I wake to find that you're not there

What do I do to make you want me  
What have I got to do to be heard  
What do I say when it's all over  
Sorry seems to be the hardest word

It's sad, so sad, it's a sad, sad situation  
And it's getting more and more absurd  
It's sad, so sad, why can't we talk it over  
Always seems to me,  
sorry seems to be the hardest word  
[solo on verse]

It's sad, so sad, it's a sad, sad situation  
And it's getting more and more absurd  
It's sad, so sad, why can't we talk it over  
Always seems to me,  
sorry seems to be the hardest word

What do I do to make you love me  
What have I got to do to be heard  
What do I do when lightning strikes me  
What have I got to do,  
What have I got to do,  
when sorry seems to be the hardest word

### **S.O.S. (ABBA)**

---

Where are those happy times,  
they seem so hard to find.  
I try to reach for you but you have closed your mind.  
Whatever happened to our love? I wish I understood.  
It used to be so nice, it used to be so good.

So when you're near me,  
darling can't you hear me — SOS  
The love you gave me,  
nothing less can save me — SOS

When you're gone, how can I even try to go on?  
When you're gone, though I try how can I carry on?

You seem so far away though you are standing near.  
You make me feel alive but something died, I fear.

I really tried to make it up, I wish I understood.  
What happened to our love, it used to be so good.

So when you're near me,  
darling can't you hear me — SOS  
The love you gave me,  
nothing less can save me — SOS

When you're gone, how can I even try to go on?  
When you're gone, though I try how can I carry on?

So when you're near me,  
darling can't you hear me — SOS  
The love you gave me,  
nothing less can save me — SOS

When you're gone, how can I even try to go on?  
When you're gone, though I try how can I carry on?

### **Soulshine (Warren Haynes)**

---

When you can't find the light,  
that got you through the cloudy days,  
When the stars ain't shinin' bright,  
you feel like you've lost your way,  
When those candle lights of home,  
burn so very far away,  
Well you got to let your soul shine,  
just like my daddy used to say.

He used to say soulshine, it's better than sunshine,  
It's better than moonshine,  
damn sure better than rain.  
Hey now people don't you mind,  
we all get this way sometime,  
Got to let your soul shine, shine till the break of day.  
I grew up thinkin' that I had it made,  
gonna make it on my own.  
Life can take the strongest man,  
make him feel so alone.

Now and then I feel a cold wind,  
blowin' through my achin' bones,

I think back to what my daddy said, he said  
"Boy, it's darkest just before dawn."  
He used to say soulshine, it's better than sunshine,  
It's better than moonshine, damn sure better than rain

Hey now people don't you mind,  
we all get this way sometime,  
Got to let your soul shine, shine till the break of day.

Sometimes a man can feel this emptiness,  
Like a woman has robbed him of his very soul.

A woman too, God knows, she can feel like this.  
And when your world seems cold,  
you got to let your spirit take control.

He used to say soulshine, it's better than sunshine,  
It's better than moonshine, damn sure better than  
rain.

Hey now people don't you mind,  
we all get this way sometime,  
Got to let your soul shine, shine till the break of day.

### **Sound of Silence**

---

Hello darkness, my old friend,  
I've come to talk with you again,  
Because a vision softly creeping,  
Left its seeds while I was sleeping,  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence.

In restless dreams I walked alone  
Narrow streets of cobblestone,  
'neath the halo of a street lamp,  
I turned my collar to the cold and damp  
When my eyes were stabbed  
by the flash of a neon light  
That split the night  
And touched the sound of silence.

And in the naked light I saw  
Ten thousand people, maybe more.  
People talking without speaking,  
People hearing without listening,  
People writing songs that voices never share  
And no one dare  
Disturb the sound of silence.

Fools said I, you do not know  
Silence like a cancer grows.  
Hear my words that I might teach you,  
Take my arms that I might reach you.  
But my words like silent raindrops fell,  
And echoed  
In the wells of silence

And the people bowed and prayed  
To the neon God they made.  
And the sign flashed out its warning,  
In the words that it was forming.  
And the sign said, the words of the prophets  
Are written on the subway walls  
And tenement halls.  
And whisper'd in the sounds of silence.

### **Space Oddity (David Bowie)**

---

Ground Control to Major Tom.  
Ground Control to Major Tom  
Take your protein pills and put your helmet on  
Ground Control to Major Tom,  
Commencing countdown, engines on  
Check ignition and may God's love be with you

This is Ground Control to Major Tom,  
You've really made the grade  
And the papers want to know whose shirts you wear  
Now it's time to leave the capsule if you dare

This is Major Tom to Ground Control,  
I'm stepping through the door  
And I'm floating in a most peculiar way  
And the stars look very different today

For here am I sitting in a tin can. Far above the world  
Planet Earth is blue, and there's nothing I can do

[Solo]

Though I'm past one hundred thousand miles,  
I'm feeling very still  
And I think my spaceship knows which way to go  
Tell my wife I love her very much she knows

Ground Control to Major Tom,  
your circuit's dead, there's something wrong  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you ...

Here, am I floating round my tin can.  
Far above the Moon,  
Planet Earth is blue, and there's nothing I can do

[loong solo to fade]

### **Starman (David Bowie)**

---

Didn't know what time it was, the lights were low  
I leaned back on my radio  
Some cat was laying down some rock 'n' roll  
'lotta soul, he said  
Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no DJ that was hazy cosmic jive  
[Riff]

There's a Starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

There's a Starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile, he told me

Let the children lose it, Let the children use it  
Let all the children boogie — [instrumental bridge]

I had to phone someone so I picked on you  
Hey, that's far out so you heard him too  
Switch on the TV we may pick him up on channel two

Look out your window, I can see his light  
If we can sparkle he may land tonight  
Don't tell your poppa or he'll get us locked up in fright  
[Riff]

There's a Starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

There's a Starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile, he told me

Let the children lose it, Let the children use it  
Let all the children boogie  
Na na na na na...

### **The Story of My Life (One Direction)**

---

Written in these walls are the stories  
that I can't explain  
I leave my heart open  
but it stays right here empty for days  
She told me in the morning  
she don't feel the same about us in her bones  
It seems to me that when I die  
these words will be written on my stone

And I'll be gone gone tonight  
The ground beneath my feet is open wide  
The way that I been holdin' on too tight  
With nothing in be-tween

The story of my life, I take her home  
I drive all night, to keep her warm and time...  
Is fro-zen. (The story of, the story of...)

The story of my life, I give her hope.  
I spend her love, un-til she's broke inside  
The story of my life. (The story of, the story of...)

Written on these walls are the  
colors that I can't change  
Leave my heart open but it stays right here in its cage  
I know that in the mornin'  
I'll see a single light upon a hill  
Although I am broken my heart is untamed still

And I'll be gone gone tonight  
The ground beneath my feet is open wide  
The way that I been holdin' on too tight  
With nothing in between

The story of my life I take her home  
I drive all night to keep her warm and time...  
Is fro-zen. (The story of, the story of...)

The story of my life I give her hope.  
I spend her love un-til she's broke inside  
The story of my life. (The story of, the story of...)  
And I been waiting for this time to come around  
But baby running after you is like chasing the clouds  
The story of my life I take her home  
I drive all night to keep her warm and time...  
Is fro-zen.

The story of my life, (I give her hope give her hope)  
I spend her love until she's broke inside  
(until she's broke inside)  
The story of my life (the story of, the story of...)

The story of my li-----fel  
The story of my li-----fe  
(the story of, the story of...)  
The story of my life

### **Strawberry Fields Forever**

---

Let me take you down 'cause I'm going to  
Strawberry Fields.

Nothing is real. And nothing to get hung about.  
Strawberry Fields forever.

Living is easy with eyes closed,  
Misunderstanding all you see.  
It's getting hard to be someone but it all works out.  
It doesn't matter much to me.

Let me take you down 'cause I'm going to  
Strawberry Fields.  
Nothing is real. And nothing to get hung about.  
Strawberry Fields forever.

No one I think is in my tree.  
I mean it must be high or low.  
That is you can't you know tune in but it's alright.  
That is I think it's not too bad.

Let me take you down 'cause I'm going to  
Strawberry Fields.  
Nothing is real. And nothing to get hung about.  
Strawberry Fields forever.

Always, no, sometimes I think it's me.  
But you know I know when it's a dream.  
I think I know I mean oh, yes but it's all wrong.  
That is I think I disagree.

Let me take you down 'cause I'm going to  
Strawberry Fields.  
Nothing is real. And nothing to get hung about.  
Strawberry Fields forever.  
Strawberry Fields forever, Strawberry Fields forever.

### **Stressed Out (21 Pilots)**

---

I wish I found some better sounds  
no one's ever heard  
I wish I had a better voice to sing some better words  
I wish I found some chords in an order that is new  
I wish I didn't have to rhyme every time I sang

I was told when I get older all my fears would shrink

But now I'm insecure and I care what people think  
My name's Blurryface and I care what you think  
My name's Blurryface and I care what you think

Wish we could turn back time to the good old days  
When our mommas sang us to sleep  
But now we're stressed out

Wish we could turn back time to the good old days  
When our mommas sang us to sleep  
But now we're stressed out  
We're stressed out

Sometimes a certain smell  
will take me back to when I was young  
How come I'm never able to identify  
where it's coming from  
I'd make a candle out of it if I ever found it

Try to sell it, never sell out of it  
I'd probably only sell one  
It'd be to my brother 'cause we have the same nose  
Same clothes, homegrown,  
a stone's throw from a creek we used to roam

But it would remind us of when  
nothing really mattered  
Out of student loans and treehouse homes  
we all would take the latter

My name's Blurryface and I care what you think  
My name's Blurryface and I care what you think

Wish we could turn back time, to the good old days  
When our mommas sang us to sleep  
But now we're stressed out

Wish we could turn back time to the good old days  
When our mommas sang us to sleep  
But now we're stressed out

We used to play pretend,  
give each other different names

We would build a rocket ship  
and then we'd fly it far away

Used to dream of outer space,  
but now they're laughing at our face saying,  
"Wake up, you need to make money." Yeah. (x2)

Wish we could turn back time, to the good old days  
When our mommas sang us to sleep  
But now we're stressed out

Wish we could turn back time to the good old days  
When our mommas sang us to sleep  
But now we're stressed out

We used to play pretend,  
used to play pretend, money  
We used to play pretend,  
wake up, you need the money

Used to play pretend,  
used to play pretend, money  
We used to play pretend,  
wake up, you need the money

Used to play pretend,  
give each other different names  
We would build a rocket ship  
and then we'd fly it far away

Used to dream of outer space,  
but now they're laughing at our face saying,  
"Wake up, you need to make money."  
Yeah.

### **Sultans of Swing**

---

You get a shiver in the dark,  
it's raining in the park but meantime  
South of the river you stop and you hold everything  
A band is blowing Dixie double 4-time  
You feel alright when you hear that music ring

Well now, you step inside  
but you don't see too many faces  
Coming in out of the rain to hear the jazz go down  
Competition in other places  
Uh, but the horns they blowin' that sound

Way on down south  
Way on down south, London Town

You check out Guitar George, he knows all the chords  
Mind he's strictly rhythm  
he doesn't want to make it cry or sing  
They say an old guitar is all he can afford  
When he gets up under the lights to play his thing

And Harry doesn't mind if he doesn't make the scene  
He's got a daytime job, he's doin' alright  
He can play the honky tonk like anything  
Saving it up for Friday night

with the Sultans,  
with the Sultans of Swing  
Then a crowd of young boys,  
they're foolin' around in the corner  
Drunk and dressed in their best brown baggies and  
their platform soles

They don't give a damn about about any  
trumpet playin' band  
It ain't what they call rock and roll  
And the Sultans, yeah, the Sultans, they play Creole..  
Creole --> [solo]

And then the man he steps right up  
to the microphone  
And says at last just as the time bell ring  
Goodnight, now it's time to go home  
Then he makes it fast with one more thing

We are the Sultans  
We are the Sultans of Swing

Outro solo

## Summer Nights (Grease)

---

[Boys, Girls, Both]

### Summer lovin' had me a blast

Summer lovin', happened so fast  
**I met a girl crazy for me**  
I met a boy, cute as can be

Summer days driftin' away,  
to uh-oh those summer nights  
**Tell me more, tell me more, did you get very far?**  
Tell me more, tell me more, like, does he have a car?

### She swam by me, she got a cramp

He went by me, got my suit damp  
**I saved her life, she nearly drowned**  
He showed off, splashing around

Summer sun, something's begun,  
but uh-oh those summer nights  
Tell me more, tell me more, was it love at first sight?  
**Tell me more, tell me more, did she put up a fight?**

### Took her bowlin' in the Arcade

We went strollin', drank lemonade  
**We made out under the dock**  
We stayed out until ten o'clock

Summer fling don't mean a thing,  
but uh-oh those summer nights  
**Tell me more, tell me more, that you don't got her preg**  
Tell me more, tell me more, cuz he sounds like a drag  
Shudda-bop-bop, Shudda-bop-bop... -> yeah

He got friendly, holdin' my hand  
**Well she got friendly, down in the sa-a-and**  
He was sweet, just turned eighteen  
**Well she was good, you know what I mean**

Summer heat, boy and girl meet,  
but uh-oh those summer nights  
Tell me more, tell me more, how much dough did he

spend?

**Tell me more, tell me more, could she get me a friend?**

It turned colder, that's where it ends  
**So I told her we'd still be friends**  
Then we made our true love vow  
**Wonder what she's doin' now**

Summer dreams ripped at the seams,  
but oh, those summer ni—ights!  
Tell me more, tell me mo-o-ore!

## Summertime

---

Summertime, and the livin' is ea — sy  
Fish are jumpin' and the cotton is high

Your daddy's rich, and your momma's good lookin'  
So hush little baby, don't you cry

One of these mornings,  
you're gonna rise up singing.  
Then you'll spread your wings  
and you'll take to the sky.

But till that morning, there's a nothin' can harm you.  
With daddy and mammy standing by

## Sweet Caroline

---

Where it began, I can't begin to knowin'  
But then I know it's going strong  
Was it the spring, and spring became a summer?  
Who'd have believed you'd come a-long?

Hands, touching hands  
Reaching out, touching me, touching you  
Sweet Caroline, good times never seemed so good  
I'm inclined, to believe they never would,  
But now I'm...

Look at the night, and it don't seem so lonely  
We fill it up with only two

And when I hurt, hurting runs off my shoulder  
How can I hurt when holding you?

Warm, touching warm  
Reaching out, touching me, touching you  
Sweet Caroline, good times never seemed so good  
I'm inclined, to believe they never would, Oh no no

solo

Sweet Caroline, good times never seemed so good  
Sweet Caro-line, I believed they never could  
Sweet Caroline...

### **Sweet Home Alabama (Lynyrd Skynyrd)**

Big wheels keep on turning  
Carry me home to see my kin.  
Singing songs about the southland  
I miss'ole' 'bamy once again (and I think it's a sin)

Well, I heard Mister Young sing about her  
Well, I heard ole Neil put her down.  
Well, I hope Neil Young will remember,  
A southern man don't need him around anyhow

Sweet home Alabama,  
Where the skies are so blue,  
Sweet home Alabama,  
Lord, I'm coming home to you.

In Birmingham they love the Gov'nor Boo hoo hoo!  
Now we all did what we could do.  
Now Watergate does not bother me.  
Does your conscience bother you? (tell the truth)

Sweet home Alabama,  
Where the skies are so blue,  
Sweet home Alabama,  
Lord, I'm coming home to you. (-solo-)

Now Muscle Shoals has got the Swampers  
And they've been known to pick a tune or two

Lord they get me off so much  
They pick me up when I'm feeling blue  
(Now how about you?)

Sweet home Alabama,  
Where the skies are so blue,  
Sweet home Alabama,  
Lord, I'm coming home to you.

Sweet home Alabama, (oh sweet home)  
Where the skies are so blue, (and it's true)  
Sweet home Alabama,  
Lord, I'm coming home to you.

### **Sympathy For The Devil**

Please allow me to introduce myself  
I'm a man of wealth and taste  
I've been around for a long, long year  
Stole many a man's soul and faith

And I was 'round when Jesus Christ  
Had his moment of doubt and pain  
Made damn sure that Pilate  
Washed his hands and sealed his fate

Pleased to meet you, hope you guess my name  
But what's puzzling you is the nature of my game  
I stuck around St. Petersburg  
When I saw it was a time for a change  
Killed the czar and his ministers  
Anastasia screamed in vain

I rode a tank, held a general's rank  
When the blitzkrieg raged and the bodies stank  
Pleased to meet you, hope you guess my name  
But what's puzzling you is the nature of my game

I watched with glee while your kings and queens  
Fought for ten decades for the gods they made  
I shouted out, "Who killed the Kennedys?"  
When after all, it was you and me

Let me please introduce myself  
I'm a man of wealth and taste  
And I laid traps for troubadours  
Who get killed before they reach Bombay  
Oh yeah, get down heavy!

[Guitar Solo]

Pleased to meet you, hope you guess my name,  
But what's confusin' you is just the nature of my game

Just as every cop is a criminal  
And all the sinners saints  
As heads is tails, just call me Lucifer  
Cause I'm in need of some restraint

So if you meet me, have some courtesy  
Have some sympathy, and some taste  
Use all your well-learned politesse  
Or I'll lay your soul to waste

Pleased to meet you, hope you guessed my name  
But what's puzzling you is the nature of my game  
Mmmm-mean it, get down

### **Tainted Love (Soft Cell)**

Some-times, I feel, I've got to;  
Run a-way, I've got to; Get A-way,  
From the pain you drive in-to the heart of me.

The love we share, seems to,  
Go no-where. And I've lost my light,  
For I toss and turn; I can't sleep at night.

Once I ran to you, now I run from you,  
This tainted love you've given,  
I give you all a boy could give you.  
Take my tears and that's not nearly...  
All, Tainted love, oh, oh, oh,  
Tainted love.

Now I know, I've got to;

Run a-way, I've got to;  
Get A-way.  
You don't really want any more from me.

To make things right,  
You need some-one to hold you tight.  
And you think love is to pray,  
But I'm sorry, I don't pray that way.

Once I ran to you, now I run from you,  
This tainted love you've given,  
I give you all a boy could give you.  
Take my tears and that's not nearly...  
All, Tainted love, oh, oh, oh,  
Tainted love.

Don't touch me, please,  
I can not stand the way you tease.  
I love you, though you hurt me so,  
Now I'm going to pack my things and go.

Tainted love, oh, oh, oh,  
Touch me, baby, tainted love,  
Tainted love, oh, oh, oh,

### **Tears in Heaven (Eric Clapton)**

---

Would you know my name, if I saw you in heaven?  
Would it be the same, if I saw you in heaven?  
I must be strong, and carry on  
Cause I know I don't belong, here in heaven

Would you hold my hand, if I saw you in heaven?  
Would you help me stand, if I saw you in heaven?

I'll find my way. Through night and day  
'Cause I know I just can stay, here in heaven

Time can bring you down. Time can bend your knees  
Time can break your heart, have you begging please  
Begging please

Beyond the door, there's peace I'm sure

And I know there'll be no more Tears in heaven

Would you know my name, If I saw you in heaven?  
Would it be the same, If I saw you in heaven?

I must be strong, and carry on  
'Cause I know I don't belong  
Here in heaven  
'Cause I know I don't belong  
Here in heaven

### **Thank You For The Music**

---

I'm nothing special, in fact I'm a bit of a bore  
If I tell a joke, you've probably heard it before  
But I have a talent, a wonderful thing  
'Cause everyone listens when I start to sing

I'm so grateful and proud  
All I want is to sing it out loud, so I say

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?

Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

Mother says I was a dancer before I could walk  
She says I began to sing long before I could talk  
And I've often wondered, how did it all start?  
Who found out that nothing can capture a heart

Like a melody can?  
Well, whoever it was, I'm a fan, so I say

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?

Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

I've been so lucky, I am the girl with golden hair  
I wanna sing it out to every-body  
What a joy, what a life, what a chance!

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?

Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

### **That's What Friends Are For**

---

And I never thought I'd feel this way  
And as far as I'm concerned  
I'm glad I got the chance to say  
That I do believe I love you

And if I should ever go away  
Well then close your eyes and try  
to feel the way we do today  
And then if you can remember

Keep smiling, keep shining  
Knowing you can always count on me, for sure  
That's what friends are for  
For good times and bad times  
I'll be on your side forever more  
That's what friends are for

[solo on first line of verse]  
Well you came in loving me,  
and now there's so much more I see  
And so by the way I thank you

Oh and then for the times when we're apart  
Well then close your eyes and know  
these words are coming from my heart  
And then if you can remember

Keep smiling, keep shining

Knowing you can always count on me, for sure  
That's what friends are for  
For good times and bad times  
I'll be on your side forever more  
That's what friends are for

### Things We Said Today

---

You say you will love me, if I have to go.  
You'll be thinking of me, somehow I will know.  
Someday when I'm lonely,  
wishing you weren't so far away.  
Then I will remember, things we said today.

You say you'll be mine girl, till the end of time.  
These days such a kind girl, seems so hard to find.

Someday when we're dreaming,  
deep in love, not a lot to say.  
Then I will remember things we said today.

Me I'm just the lucky kind,  
love to hear you say that love is love,  
And though we may be blind,  
love is here to stay and that's

Enough to make you mine girl, be the only one.  
Love me all the time girl, we'll go on and on.  
Someday when we're dreaming,  
deep in love, not a lot to say.  
Then I will remember, things we said today.

Me I'm just the lucky kind,  
love to hear you say that love is love,  
And though we may be blind,  
love is here to stay and that's

Enough to make you mine girl, be the only one.  
Love me all the time girl, we'll go on and on.

Someday when we're dreaming,  
deep in love, not a lot to say.  
Then I will remember, things we said today.

### Ticket To Ride

---

I think I'm gonna be sad, I think it's today, yeah  
The girl that's driving me mad is going away

She's got a ticket to ride. She's got a ticket to ride  
She's got a ticket to ride, and she don't care.

She said that living with me,  
is bringing her down, yeah  
She would never be free, when I was around

She's got a ticket to ride. She's got a ticket to ride  
She's got a ticket to ride, and she don't care.

I don't know why she's riding so high  
She ought to think twice, she ought to do right by me  
Before she gets to saying goodbye  
She ought to think twice, she ought to do right by me

I think I'm gonna be sad, I think it's today, yeah  
The girl that's driving me mad is going away  
She's got a ticket to ride. She's got a ticket to ride  
She's got a ticket to ride and she don't care.

I don't know why she's riding so high  
She ought to think twice, she ought to do right by me  
Before she gets to saying goodbye  
She ought to think twice, she ought to do right by me

She said that living with me,  
is bringing her down, yeah  
She would never be free, when I was around

She's got a ticket to ride. She's got a ticket to ride  
She's got a ticket to ride, and she don't care.

My baby don't care, my baby don't care...

### Too Good At Goodbyes (Sam Smith)

---

You must think that I'm stupid  
You must think that I'm a fool

You must think that I'm new to this  
But I have seen this all before

I'm never gonna let you close to me  
Even though you mean the most to me  
'Cause every time I open up, it hurts  
So I'm never gonna get too close to you  
Even when I mean the most to you  
In case you go and leave me in the dirt

Every time you hurt me, the less that I cry  
And every time you leave me,  
the quicker these tears dry  
And every time you walk out, the less I love you  
Baby, we don't stand a chance, it's sad but it's true

I'm way too good at goodbyes  
(I'm way too good at goodbyes)  
I'm way too good at goodbyes  
(I'm way too good at goodbyes)

I know you're thinking I'm heartless  
I know you're thinking I'm cold  
I'm just protecting my innocence  
I'm just protecting my soul

I'm never gonna let you close to me  
Even though you mean the most to me  
'Cause every time I open up, it hurts  
So I'm never gonna get too close to you  
Even when I mean the most to you  
In case you go and leave me in the dirt

Every time you hurt me, the less that I cry  
And every time you leave me,  
the quicker these tears dry  
And every time you walk out, the less I love you  
Baby, we don't stand a chance, it's sad but it's true

I'm way too good at goodbyes...etc  
Every time you hurt me, the less that I cry  
And every time you leave me,  
the quicker these tears dry

And every time you walk out, the less I love you  
Baby, we don't stand a chance, it's sad but it's true  
I'm way too good at goodbyes

### **True Colors (Justin T & Anna Kendrick)**

---

You with the sad eyes, don't be discouraged  
Oh I realize, it's hard to take courage  
In a world full of people, you can lose sight of it all  
And the darkness, inside you,  
can make you feel so small

Show me a smile then, don't be unhappy,  
can't remember when, I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear  
Just call me up, cause' I will always be there

I see your true colors, shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let them show  
Your true colors, True colors are beautiful  
Like a rainbow

Can't remember when, I last saw you laughing,  
Ooh, ooh If this world makes you crazy  
And you've taken all you can bear  
Just you call me up, cause' I will always be there!

I see your true colors, shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let them show  
Your true colors, True colors are beautiful

Like a rain-bow.

### **Unchain My Heart**

---

Unchain my heart, baby, let me be.  
Unchain my heart, cause you don't care about me...  
You've got me sewed up like a pillow case,  
but you let my love go to waste, so

unchain, my heart, please set me free.

Unchain my heart, baby let me go.  
Unchain my heart, cause you don't love me no more...  
Every time I call you on the phone,  
some fella tells me that you're not at home...  
so, unchain my heart, please set me free.

I'm under your spell..like a man in a trance.  
But I know darn well, that I don't stand a chance..

So, unchain my heart, let me go my way.  
Unchain my heart, you worry me night and day...  
Why lead me through a life of misery?  
When you don't care a bag of beans for me?  
So, unchain my heart, please set me free.

I'm under your spell..like a man in a trance.  
But I know darn well, that I don't stand a chance..

So, unchain my heart, let me go my way.  
Unchain my heart, you worry me night and day...  
Why lead me through a life of misery?  
When you don't care a bag of beans for me?  
So, unchain my heart, please set me free.

Oh, won't you set me free.  
Whooooaa, set me free.  
Whooooaaa! set me free. (Fade out)

### **Video Killed The Radio Star**

---

I heard you on the wireless back in Fifty Two  
Lying awake intent at tuning in on you  
If I was young it didn't stop you coming through  
(Ow-a--ow-a)

They took the credit for your second symphony  
Rewritten by machine and new technology  
And now I understand the problems you can see

(Ow-a--ow-a) – I met your children  
(Ow-a--ow-a) – What did you tell them?

Video killed the radio star.  
Video killed the radio star  
Pictures came and broke your heart.  
(Ow-a--ow-a)

And now we meet in an abandoned studio  
We hear the playback and it seems so long ago  
And you remember the jingles used to go

(Ow-a--ow-a) – You were the first one  
(Ow-a--ow-a) – You were the last one

Video killed the radio star.  
Video killed the radio star  
In my mind and in my car.  
We can't rewind we've gone too far  
Ow-a-a—a-ow.  
Ow-a-a—a-ow.

SOLO  
Video killed the radio star.  
Video killed the radio star  
In my mind and in my car.  
We can't rewind we've gone too far  
Pictures came and broke your heart  
Put the blame on the VCR!  
You a—re, a radio sta-ah-ah-ah-ah-ah-ah-ar  
You a—re, a radio sta-ah-ah-ah-ah-ah-ah-ar

Video killed the radio star. Video killed the radio star  
Video killed the radio star. Video killed the radio star

### **Waterloo**

---

My my, at Waterloo Napoleon did surrender  
Oh yeah, and I have met my  
destiny in quite a similar way  
The history book on the shelf  
Is always repeating itself

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more

Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you  
Wow, wow, wow, wow  
Waterloo - finally facing my Waterloo

My my, I tried to hold you back but you were stronger  
Oh yeah, and now it seems my  
only chance is giving up the fight  
And how could I ever refuse, I feel like I win when I  
lose

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you

And how could I ever refuse  
I feel like I win when I lose

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you  
Waterloo - finally facing my Waterloo

## **We Are The Champions**

---

I've paid my dues, and time after time  
I've done my sentence, but committed no crime  
And bad mistakes, I've made a few  
I've had my share of sand kicked in my face  
But I've come through

We are the champions, my friend  
And we'll keep on fighting till the end  
We are the champions, we are the champions  
No time for losers cause we are the champions  
Of the world

I've taken my bows, and my curtain calls  
You brought me fame and fortune  
and everything that goes with it. I thank you all

But it's been no bed of roses, no pleasure cruise

I consider it a challenge, before the whole human  
race. And I ain't gonna lose

We are the champions, my friend  
And we'll keep on fighting till the end  
We are the champions, we are the champions  
No time for losers cause we are the champions  
Of the world

We are the champions, my friend  
And we'll keep on fighting till the end

We are the champions, we are the champions  
No time for losers cause we are the champions  
Of the world

## **We Are The World**

---

There comes a time when we heed a certain call  
When the world must come together as one  
There are people dying,  
and it's time to lend a hand to life  
The greatest gift of all

We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all a part of God's great big family  
And the truth, you know love is all we need

We are the world, we are the children  
We are the ones who make a brighter day  
so let's start giving  
There's a choice we're making  
we're saving our own lives  
It's true we'll make a better day just you and me

Well, send'em your heart  
so they know that someone cares  
And their lives will be stronger and free  
As God has shown us, by turning stone to bread  
And so we all must lend a helping hand

We are the world, we are the children

We are the ones who make a brighter day  
so let's start giving  
There's a choice we're making  
we're saving our own lives  
It's true we'll make a better day just you and me

When you're down and out  
there seems no hope at all  
But if you just believe there's no way we can fall

Well, well, well, let's realize  
that a change can only come  
When we, stand together as one  
:|| We are the world, we are the children  
We are the ones who make a brighter day  
so let's start giving.

There's a choice we're making  
we're saving our own lives  
It's true we'll make a better day just you and me  
:|[Key change & repeat]

## **What A Wonderful World**

---

I see trees of green, red roses too  
I see them bloom, for me and you,  
And I think to myself,  
What a wonderful world.  
I see skies of blue and clouds of white,  
The bright blessed day, the dark sacred night,  
And I think to myself,  
What a wonderful world  
The colors of the rainbow, so pretty in the sky  
Are also on the faces of people goin' by  
I see friends shaking hands, saying,  
"How do you do?"  
They're really saying, "I love you."

I hear babies cry, I watch them grow  
They'll learn much more than I'll ever know,  
And I think to myself, what a wonderful world  
Yes I think to myself, what a wonderful world.

## **When I'm Sixty-Four**

---

When I get older, losing my hair, many years from now  
Will you still be sending me a valentine  
Birthday greetings, bottle of wine

If I've been out 'til quarter to three,  
would you lock the door  
Will you still need me, will you still feed me,  
When I'm sixty-four?

Mmm, Mmm, Mmm, Mmm. You'll be older too  
Aaaah, and if you say the word, I could stay with you  
I could be handy mending a fuse  
when your lights have gone  
You can knit a sweater by the fireside  
Sunday mornings go for a ride

Doing the garden, digging the weeds,  
who could ask for more?  
Will you still need me, will you still feed me  
When I'm sixty-four?

Every summer we can rent a cottage  
On the Isle of Wight, if it's not too dear.  
We shall scrimp and save  
Ah, grandchildren on your knee:  
Vera, Chuck and Dave  
Send me a postcard, drop me a line,  
stating point of view  
Indicate precisely what you mean to say  
Yours sincerely wasting away

Give me your answer, fill in a form,  
mine forever more  
Will you still need me, will you still feed me  
When I'm sixty-four?

## **While My Guitar Gently Weeps**

---

I look at you all see the love there that's sleeping  
While my guitar gently weeps  
I look at the floor and I see it needs sweeping

Still my guitar gently weeps

I don't know why nobody told you  
How to unfold your love  
I don't know how someone controlled you  
They bought and sold you

I look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weeps

I don't know how you were diverted  
You were perverted too  
I don't know how you were inverted  
No one alerted you

I look at you all see the love there that's sleeping  
While my guitar gently weeps  
Look at you all...  
Still my guitar gently weeps

## **With A Little Help From My Friends**

---

What would you think if I sang out of tune  
would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
and I'll try not to sing out of key.  
Oh, I get by with a little help from my friends.  
Mm, I get high with a little help from my friends.  
Mm, I'm gonna try with a little help from my friends.

What do I do when my love is away,  
does it worry you to be alone?  
How do I feel by the end of the day,  
are you sad because you're on your own?

No, I get by with a little help from my friends.  
Mm, I get high with a little help from my friends.  
Mm, I'm gonna try with a little help from my friends.

Do you need anybody? I need somebody to love.  
Could it be anybody? I want somebody to love.

Would you believe in a love at first sight?  
Yes, I'm certain that it happens all the time.

What do you see when you turn out the light?  
I can't tell you but I know it's mine.

Oh, I get by with a little help from my friends.  
Mm, I get high with a little help from my friends.  
Mm, I'm gonna try with a little help from my friends.

Do you need anybody? I need somebody to love.  
Could it be anybody? I want somebody to love.

Oh, I get by with a little help from my friends.  
Mm, I get high with a little help from my friends.  
Mm, I'm gonna try with a little help from my friends.

Yes, I get by with a little help from my friends,  
with a little help from my frie-e-e-e-e-e-nds.

## **Wish I Knew You (The Revivalists)**

---

You shine like a star, You know who you are  
You're everything beauti-ful  
She's hot, hot like the sun The loneliest one  
Still everything beauti-ful

Well I'll be god damned  
You're standing at my door  
We stayed up in the city  
Until the stars lost the war

So Friday night, holy ghost  
Take me to your level  
Show me the one I need the most, I need the most

I wish I knew you when I was young  
We could've got so high  
Now we're here it's been so long  
Two strangers in the bright lights

Oh I hope you don't mind  
We can share my mood

Two strangers in the bright lights  
I wish I knew you, I wish I knew you  
Oh I wish I knew you when I was young

Truth, it's all that you need, You bury that seed  
It's everything beautiful  
That sound comes from the underground  
It's all inside you now  
It's everything beautiful

But what are you running from?  
They got you on the run?

So Friday night, holy ghost  
Take me to your level  
Show me the one I need the most, I need the most

I wish I knew you when I was young  
We could've got so high  
Now we're here it's been so long  
Two strangers in the bright lights

Oh I hope you don't mind  
We can share my mood  
Two strangers in the bright lights  
I wish I knew you, I wish I knew you  
Oh I wish I knew you when I was young

Maybe we can share my mood, Whoa, whoa, whoa  
Maybe we can share my mood, Whoa, whoa, whoa  
Maybe we can share my mood, Whoa, whoa, whoa

I wish I knew you when I was young  
We could've got so high  
Now we're here it's been so long  
Two strangers in the bright lights  
Oh I hope you don't mind  
We can share my mood  
Two strangers in the bright lights  
I wish I knew you, I wish I knew you  
Oh I wish I knew you when I was young

## Wonderful Tonight (Clapton)

---

It's late in the evening,  
she's wondering what clothes to wear  
She puts on her make up,  
and brushes her long blonde hair

And then she asks me: do I look alright  
And I say yes, you look wonderful tonight  
We go a party, and everyone turns to see  
This beautiful lady, that's walking around with me  
And then she asks me: do you feel alright  
And I say yes, I feel wonderful tonight

I feel wonderful, because I see  
the love light in your eyes  
And the wonder of it all  
Is that you just don't realize  
How much I love you → solo

It's time to go home now, and I've got an aching head  
So I give her the car keys, she helps me to bed  
And then I tell her, as I turn out the light  
I say my darling, you were wonderful tonight  
Oh my darling, you were wonderful tonight

## Yellow Submarine

---

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine,  
yellow submarine, yellow submarine  
We all live in a yellow submarine,  
yellow submarine, yellow submarine

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine,  
yellow submarine, yellow submarine  
We all live in a yellow submarine,  
yellow submarine, yellow submarine

And our friends are all on board,  
Many more of them live next door  
And the band begins to play  
[solo]

We all live in a yellow submarine,  
yellow submarine, yellow submarine  
We all live in a yellow submarine,  
yellow submarine, yellow submarine

[Spoken: Full speed ahead, Mr. Boatswain, full speed ahead! Full speed it is, Sgt! Cut the cable, drop the cable! Aye, sir, aye! Captain, Captain!]

As we live a life of ease (A life of ease)  
Everyone of us (Everyone of us)  
has all we need (Has all we need)

Sky of blue (Sky of blue) and  
sea of green (Sea of green)  
In our yellow (In our yellow)  
submarine (Submarine, ha, ha)

We all live in a yellow submarine,  
yellow submarine, yellow submarine  
We all live in a yellow submarine,  
yellow submarine, yellow submarine

## Yesterday

---

Yesterday, All my troubles seemed so far away,  
Now it looks as though they're here to stay,  
Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to be  
There's a shadow hanging over me,  
Oh, yesterday came suddenly.

Why she had to go, I don't know, she wouldn't say.  
I said something wrong, Now I long for yesterday.

Yesterday, Love was such an easy game to play,  
Now I need a place to hide away,  
Oh, I believe in yesterday.

Why she had to go, I don't know, she wouldn't say.  
I said something wrong, Now I long for yesterday.

Yesterday, Love was such an easy game to play,  
Now I need a place to hide away,  
Oh, I believe in yesterday.  
Hmm Hmmm Hmm,  
Hmm Hmm-mm Hmm

### **Your Song (Elton John)**

---

It's a little bit funny this feeling inside  
I'm not one of those who can easily hide  
I don't have much money but boy if I did  
I'd buy a big house where we both could live

If I was a sculptor, but then again, no  
Or a man who makes potions in a travelling show  
I know it's not much but it's the best I can do  
My gift is my song and this one's for you

And you can tell everybody this is your song  
It may be quite simple but now that it's done

I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss  
Well a few of the verses  
well they've got me quite cross

But the sun's been quite kind while I wrote this song  
It's for people like you that keep it turned on

So excuse me forgetting but these things I do  
You see I've forgotten if they're green or they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song  
It may be quite simple but now that it's done

I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world

I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world.

### **You're The Inspiration (Chicago)**

---

You know our love was meant to be  
The kind of love to last forever  
And I want you here with me  
From tonight until the end of time

You should know Everywhere I go  
Always on my mind In my heart, in my soul, baby

You're the meaning in my life  
You're the inspira tion  
You bring feeling to my life  
You're the inspiration

Wanna have you near me  
I wanna have you hear me saying,  
"No one needs you more than I need you

And I know (And I know)  
Yes I know that it's plain to see  
So in love when we're together

Now I know (Now I know)

That I need you here with me  
From tonight until the end of time

You should know (Yes, you need to know)  
Everywhere I go You're always on my mind, in my  
Heart, in my soul, baby

You're the meaning in my life  
You're the inspira tion  
You bring feeling to my life  
You're the inspira tion

Wanna have you near me  
I wanna have you hear me saying,  
"No one needs you more than I need you --> solo

Wanna have you near me  
I wanna have you hear me saying,  
"No one needs you more than I need you  
You're the meaning in my life  
You're the inspira tion  
You bring feeling to my life  
You're the inspira tion

ll: When you love somebody (To the end of time)  
When you love somebody. Always on my mind  
No one needs you more than I. :ll

### **You're The One That I Want (Grease)**

---

I got chills, they're multiplyin', and I'm losin' control  
'Cause the power you're supplyin', it's electrifyin'

You better shape up, 'cause I need a man,  
and my heart is set on you

You better shape up, you better understand,  
to my heart I must be true  
Nothing left, nothing left for me to do

You're the one that I want (you are the one I want),  
oh oh oh, honey  
The one that I want (you are the one I want),

ooh ooh ooh, honey

The one that I want (you are the one I want),  
ooh ooh ooh

The one I need (the one I need),  
oh yes indeed (yes indeed)

If you're filled with affection, you're too shy to convey  
Meditate my direction, feel your way

I better shape up, cause you need a man  
(I need a man)  
who can keep me satisfied  
I better shape up, if I'm gonna prove  
(You better prove)  
that my faith is justified  
Are you sure? Yes I'm sure down deep inside

You're the one that I want (you are the one I want),  
oh oh oh, honey  
The one that I want (you are the one I want),  
ooh ooh ooh, honey

The one that I want (you are the one I want),  
ooh ooh ooh  
The one I need (the one I need),  
oh yes indeed (yes indeed)
